HEADMASTER'S MESSAGE

We tend to think of each edition of the College's yearbook as belonging to a particular graduating class. While that may be true to a large extent - after all, whose individual pictures are in the back of the book - it is not the whole truth. A yearbook is a souvenir of the school year, and in our case, that means it is a record of activities for everybody involved with the school.

Stanstead is rather unique in the level of involvement demanded of everybody. For instance, every student in the school plays on a representative school team during the year. The vast majority, play on a school team every term. Every teacher is involved in sports or extra-curricular activities, for at least two terms out of three. All of this, of course is a function of size. If we are going to meet our academic, athletic and social commitments; if we are going to compete & win; if we are going to achieve anything, as a school community, then everybody involved has to carry a fair share of the work and responsibility involved. A small school has no "fat"; it must be all "muscle" if it is to compete and this is the great advantage of a school like ours: everybody is important and everybody's contribution counts.

For me, the pleasure and satisfaction comes in realizing not that people usually live up to what is demanded of them, but that they do so cheerfully, willingly and with tremendous generosity of time, effort and determination. This yearbook is a record of the participation and accomplishments of the students, faculty and staff during this school year.

To everybody, I say well done and thank you! To the graduates, I will add also my best wishes for good luck and good fortune. You are going to live through interesting times and you will have to deal with changes and events none of us can ever imagine. The best way to manage the challenges facing you is to meet them with wisdom, knowledge and good humour. The worst thing you can do is be inflexible, ignorant and tied rigidly to the past.

We all need a strong sense of our past - where we have been, and why we are as we are - but we use this knowledge of ourselves to move forward with sureness and skill, knowing we are not alone, but are in the company of friends, classmates and alumni who have shared the same background and similar experiences.

I am going to close with this bit of advice for the graduates. It was a comment made 2000 years ago by a wise Roman, commenting on why some leaders in Rome were unable to deal with the changes being thrust upon them. Do not let it apply to you. "He remained the same, but the same was no longer fitting" - Cicero.

You have grown and changed during your years at Stanstead. I hope that process continues and becomes a lifelong habit with you.

THE SPECTRUM STAFF 1989

Welcome.

As editors of this 1989 SPECTRUM yearbook, we hope you enjoy your visit.

A visit which ought to be a little different this year. Much has changed. From the outside we may look a lot less colorful.

Don't judge a book by its cover though. It's just a part of a new look. We've advanced the old and brought in the young.

Colour is more prevalent on the inside. A record breaking six full colour pages instead of the traditional four.

It should be a real experience to flip through the pages and remember Stanstead College circa 1989.

Before we go, some credit to those who made the 1989 SPECTRUM possible: Mr. Ashworth, Mr. Duncan, Ms. Broden, Mr. Gallant and our staff. Thank you all.

Once again, welcome to the SPECTRUM.

Long live nostalgia.

Bart and Liz.

One of the nice things about Stanstead is that while it maintains some sense of tradition it is constantly changing. At times it is reassuring to recall that hundreds of people have lived through rituals like the New Student's Race; on the other hand, it is nice to know that we now enjoy better facilities and perhaps a few more freedoms than others did. The most obvious changes at Stanstead are the new personalities that create the school's atmosphere each year.

Prefects must be able to adapt to the changes that occur each year. This year, the prefects were a great help to the new Assistant House Directors and the other new teachers. Prefects also try to initiate changes for the students. This year, the school prefects took responsibility for the newly decorated Reading Room so that it could be made more available to the students. They also supported the idea of opening the library on Sunday afternoons.

The role of a prefect is a challenging one. We must earn the respect that is necessary to be leaders. We must be understanding of all others, and have the patience and time to help them. Perhaps our most difficult task is to help others avoid getting into trouble rather than get them into trouble. Remembering that no prefect is perfect, I feel that we have met our challenges well this year. I hope the memories of Stanstead will be fond ones for everyone as you travel through the changes in your lives.

SIX YEAR CLUB

LOOKOUT WORLD!!

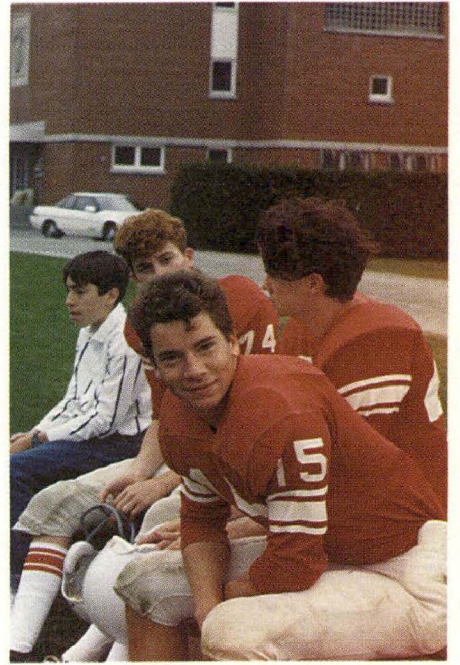

Ah, the Six Year Club. This June's graduation will see the entrance of three new candidates into Stanstead's illustrious Six Year Club which recognizes students who have taken the scenic route through Stanstead. This year's inductees are **Andrew Battah**, **Bart Kasowski** and **Nick Saparoff**, three young boys with a sense of wonderment who began their education at the college all the way back in the fall of 1983. Frightening, isn't it, to think that as they reach their 18th birthdays they will have spent a third of their lives at Stanstead.

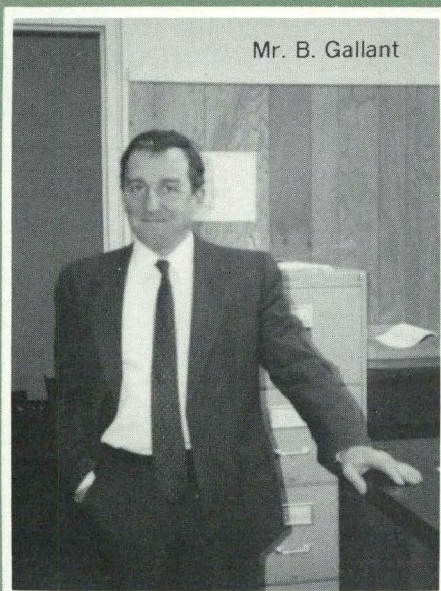

On a more serious side, these young men have all made excellent contributions to the school through the years and have had solid careers at Stanstead in all areas of school life. They have been a credit to the Stanstead community. We wish them well in the future and hope they will keep their long-standing association with the college alive in the years to come.

How will you survive without morning assemblies and Marriott?

AMOUR DÉSESPÉRÉ

L'Amour: qu'est-ce que c'est?

Dans tous les contes de fées, on dit que l'amour fait le bonheur. Mais est-ce vrai?

Il y a deux ans, à la rentrée des classes, je fis la rencontre de Joëlle. Depuis ce jour, je fus atteint par la maladie d'amour. Je sentais que je pouvais faire trembler les murs de Jéricho.

Tout cela est bien joli mais devant elle je n'étais qu'un géant de papier. Dans mon coeur, c'était Venise pour l'éternité, mais dans le sien je n'étais qu'une poussière qui ne valait pas un sou!

Elle était extra à l'école, extra en sport, extra physiquement, même Marc n'hésiterait pas à faire une tentative. Mais moi, qui suis-je? Un triple idiot? C'est tout!

Une semaine plus tard, je lui demandais: "Que fais-tu ce soir?"

Elle m'ignora, moi qui était prêt à tout!

Chaque jour, chaque heure, chaque minute, je la contemplais et le soir je rêvais de la toucher -- mais toujours en vain.

Au cours d'une party, je l'invitais à danser. Elle refusa. Alors je hurlais: "Mais qu'est-ce que tu veux, que je te baise les pieds? T'as pas fini de me snober, espèce de salope?"

Deux jours plus tard je m'excusais et on sortit ensemble. Deux semaines plus tard elle me copina. Un mois plus tard je la laissais pour une autre fille.

Tout cet effort pour rien!

D'ailleurs, comme le dit le proverbe: "Une de perdue, cent de gagnées."

Quel hypocrite je suis!

SHADOW OF A FRIEND

For a moment I have a feeling
Of having been here before.
Here, in the night,
On a street
Between houses,
Just out of reach of the street lamp's eerie glow.

Though I am in the center of town
I can feel the beckoning of the forest
As if it were only just around the corner.

Then I remember
What it is I am feeling.
The dream is shattered;
I am left with only a memory,
A brief glimpse
Into the past,
And a heart that longs to be elsewhere,
In a different time
And place;
Talking and laughing
With a friend from long ago.

LA GUERRE

Je suis un enfant de la guerre.
On a tué ma terre.
On a tué mes frères!

J'aimerais posséder ma terre,
D'avoir mes affaires.
Nous avons souffert!

Arrêtez la guerre!
Je veux ma terre!

Rendez-moi mes frères!
Donnez-moi ma terre!
Je veux mes affaires.

Arrêtez la guerre!
Arrêtez la guerre!

LAUGHTER AND TEARS

His name was George. He was new in town. The people in Willowsburgh seemed very hostile towards him. George had brown, short hair that was like the fuzz that covered a peach. His eyes were of a walnut brown, but the feature that everyone seemed to notice the most was his skin color; the dark brown that spread from his head to his feet. This was an important peculiarity to the citizens of Willowsburgh. To me, he was just a new kid on the block. At first the whole neighborhood was very opposed to him.

His father worked for a finance company and was a very good man. People accepted him, but it was mostly the children that had a difficult time admitting George into their world.

It was the children like Roger who made George's life harder each and every day. Roger's deep chuckle, his small eyes and round face seemed to just wait for a fist to sink into his soft mound of jello.

Through all this so-called "punishment" that he suffered, George never said or did anything. I think this is what mostly frustrated us. He endured everything without a word. Then came the first day of school. He sat at the back of the classroom with a sulky look on his face. Everyone was excited to be back in school, to see old friends and to smell the aroma of chalk dust flying around the room.

The first day went on as usual with Mrs. Samson asking us to write an essay on "What we did during summer vacation". Everything was going fine until George was asked a question. Even though I cannot remember his exact words, he gave the most hilarious response. All day he was amusing in a way that made both the students and teachers laugh incessantly.

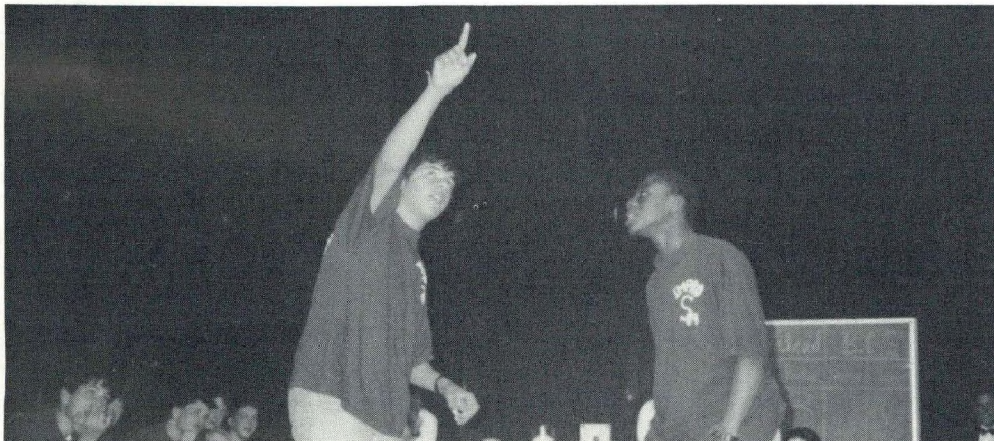

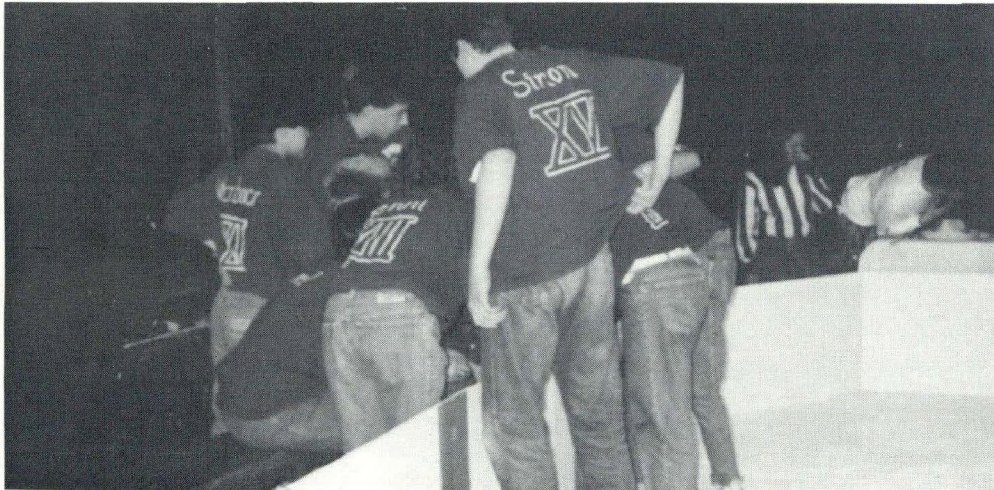

Afterwards, we realised how nice he was and what a great sense of humor he had. Gradually, each day after school, we invited him to the ball games we had in the Fall. He became a part of "the gang". I once looked at him closely, and noticed how the sunbeams fell upon his face, how his laughter seemed to make everyone smile, but now, especially now, I realised that I no longer saw his skin color. I only saw the real George Brown; the George Brown on the inside who was my good friend. George Brown's character was the only thing I saw.

IMPROVISATION

Ce fut une nouvelle expérience pour les classes de français! Une équipe d'improvisation a vu le jour et s'est taillée une place importante parmi les clubs de l'école. Grâce à l'enthousiasme de tous les participants, l'équipe s'est très bien acquittée lors d'un match avec l'équipe de B.C.S. Nous voyons que cette activité suscite un certain intérêt auprès des élèves et nous espérons que l'équipe de l'année prochaine continuera la tradition. Nos remerciements à Mlle Freeman et à Mlle Morel qui ont dirigé et entraîné l'équipe.

Improvisation, in French, was a new activity for the school. The students who were members of the team worked with enthusiasm and enjoyed themselves thoroughly as they prepared for their first match with B.C.S. They are to be congratulated for their effort and the high standards which they set for themselves. Let us see more next year!

Girls Softball 1989

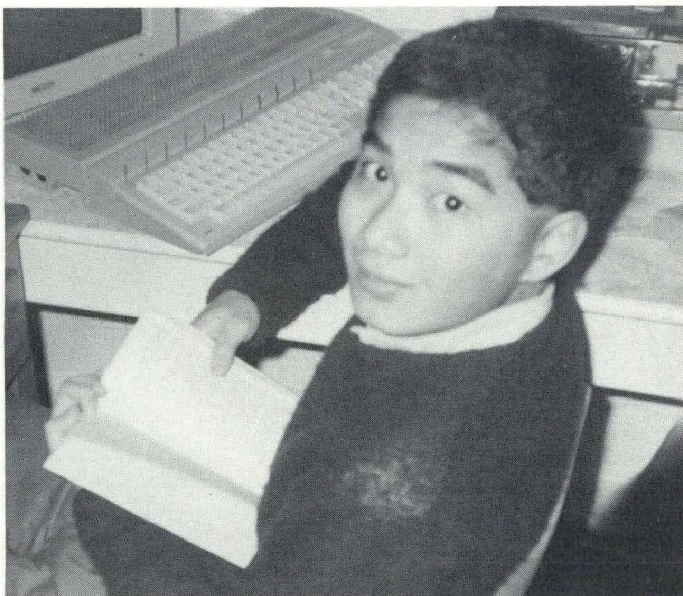

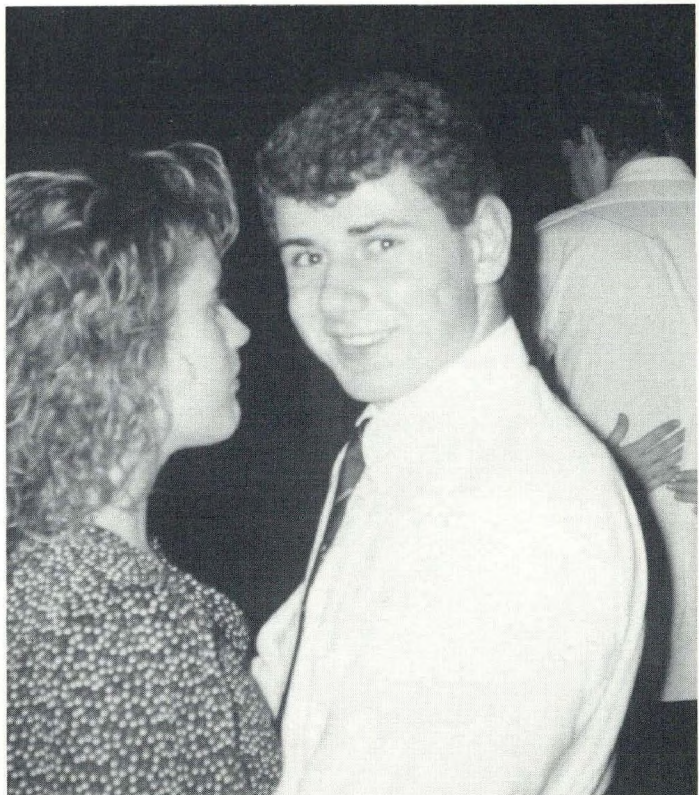

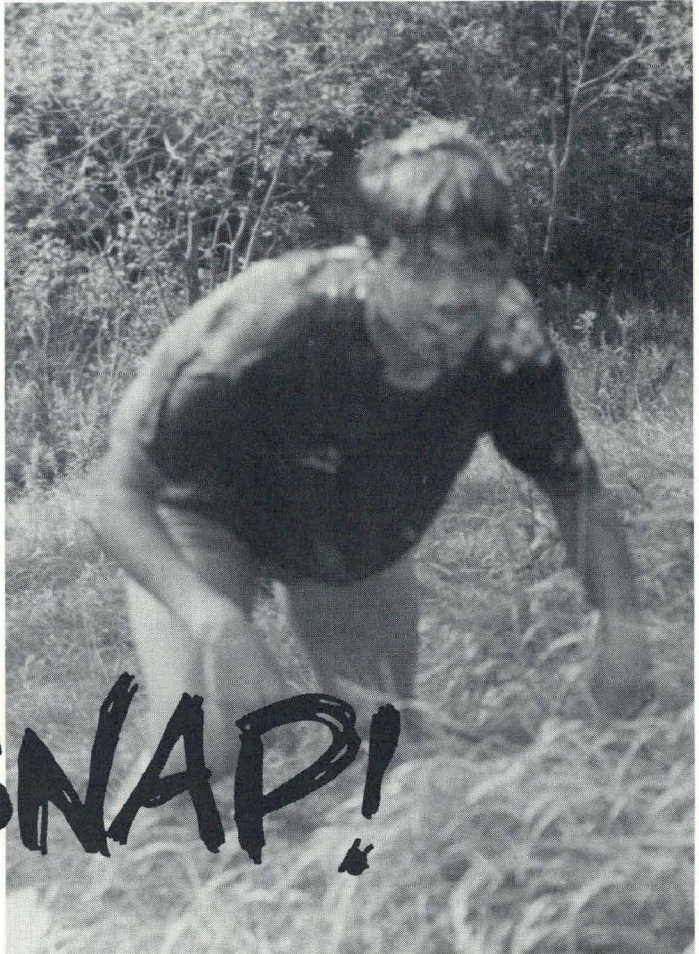

Girls softball this year was a great deal of fun. It was touch and go at the beginning to see if we had enough girls interested, but we finally prevailed.

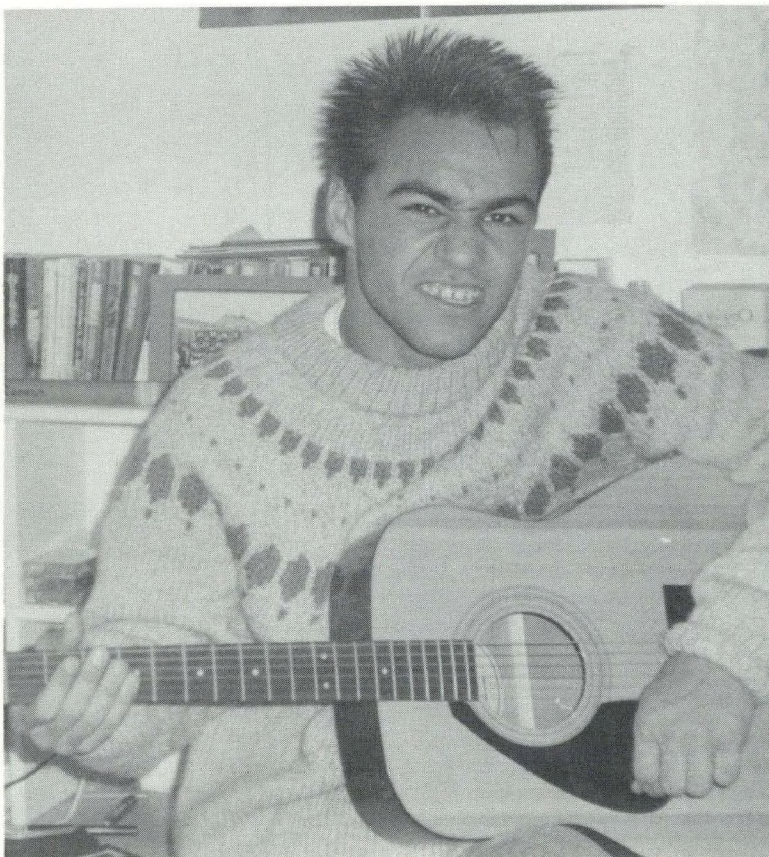

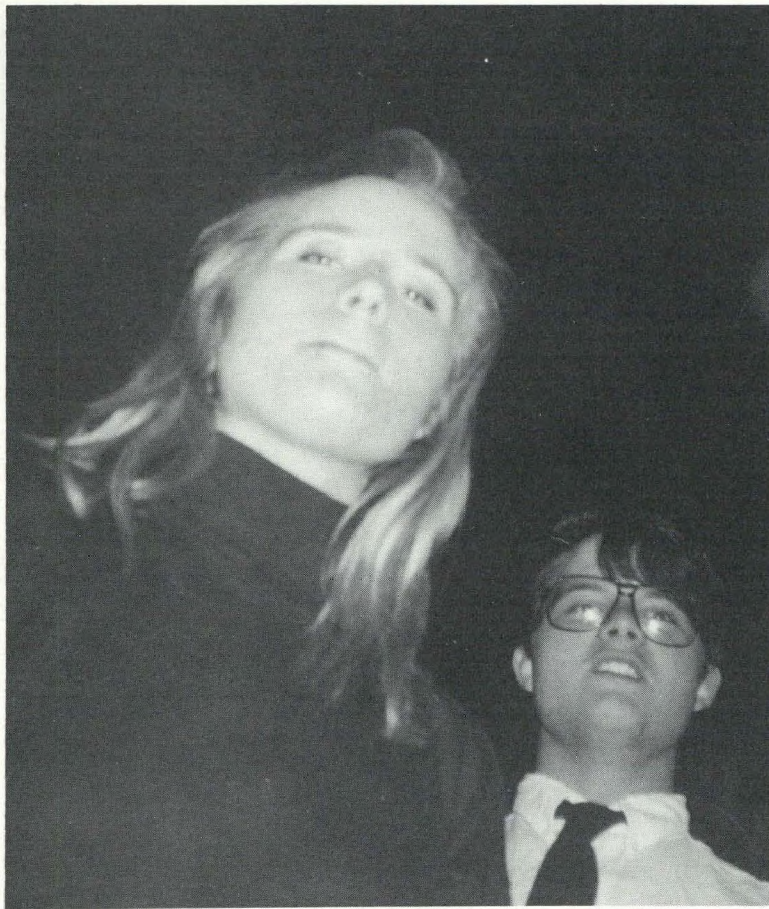

Our record this season was not indicative of the talent and character of the girls (1-1-?). The girls played very hard every game and most games could have gone either way. Now, if we could have only played games without 5th innings!

A special thanks to those girls who returned to the softball team this year. You were always a big help.

To Amanda, Keri, Lisa, Marie Claude, Mary Ann, Nancy, Rachel, Tanya, Terra and Zoë, it was a fine season, and you played like true sportsmen. Thanks! And a special thanks to Ruthie who was not only a great manager, but a great pinch runner . . .

The Senior Girls' Soccer Team had an extremely successful season in 1988. We won two tournaments this year; the Galt tournament and our own tournament here at Stanstead. Our triumph at Galt is particularly memorable as the final game of the tournament went into overtime, then penalty kicks. We finally won in the second set of penalty kicks, thanks in a large part to our "nerves of steel" goalie, Shelley Jacobs. We also came second in the E.T.I.A.C. league standings. Unfortunately, we were beset with many injuries this season, which hindered our progress. However, despite the games played in blizzard like conditions in the freezing cold we survived and fared very well.

Many thanks to Mrs. Reynolds and to Mrs. Dewey for their continued support. It was greatly appreciated by all.

Things to remember about this year: Kirsty forgot her cleats, Terra was winded when the "blob" decided to use her as a sofa, the ref's shorts left nothing to the imagination and I looked like a turtle. Oh well!

The Senior soccer team had a very successful season. The high point of the year was the Kings-Edgehill tournament in Windsor, Nova Scotia. The team made the trip by train and this was an adventure in itself. At the tournament the team really came together as a unit and was a force to be reckoned with thereafter in the E.T.I.A.C.

The team lost a tough decision to B.C.S. in the league semi-final. Nevertheless, it was a terrific season in all aspects and I sincerely want to thank the players for their dedication and hard work.

The 1988 Football season once again saw the Spartans take to the field to keep a long standing tradition alive.

As always there was a mixture of experience and boys being exposed to organized football for the first time. Given our limitations, especially not having a junior feeder program, many young fellows were called upon to play vital roles and fill demanding assignments during the course of the season. It is always a team's hope to be successful or at least competitive, which in the latter we thought we were. Our only win and highlight of the season came against J.H. Leclerc Polyvalente of Granby.

What the boys take away from the program will not be the scores of the games or the won-loss record, but more importantly, the friendship and comradery which were built up during the season. No one would dispute the tremendous season that our team captain and running back, Scott Gamache, had. Playing both ways, Scott set a good example for younger players and always gave 100 percent of himself. Stephan Zora, who stood out on defense, was also highly praised by opposing coaches. To all the players, managers and, especially Todd Rever, who assisted the coaching staff, a very special thank you for all the fine effort given to the club.

Okay, let's face it: As far as actually winning games go, this has not been the best season for the junior girls' soccer team. However, as far as players being winners goes it has been a GREAT season!!

Although we lost more games than we won, and tied more than we lost, the girls never gave up and always (generally) found something constructive to say and managed to laugh regardless. Sportsmanship and team spirit prevailed.

A lot of 'new' players showed up this year which added a new dimension to the team . . . The improvement that these players, as well as those who had already played, made throughout the season (my kamikaze half back and brutal defense) was remarkable - not to mention our save-the-season goalie Sue 'doesn't that girl ever miss it? Brus who really stuck her neck out (groan) for the team.

We worked together, improved our skills, helped each other and had a lot of fun. Aside from winning a few more games, what more could a coach ask for?

A very warm thanks to Marie-Claude Laberge and Rachel Poston, our expert captains and to Melanie Bolduc, our manager who valiantly took care of our every need in the most uncomfortable (sub-zero and freezing rain) circumstances and even did it with a smile!

It's been a memorable season for many of us. Keep up the good work girls and don't forget: When they least expect it - get them offside!

JUNIOR BOYS' SOCCER

Coach: G. Telling
Captain: L. Oickle

The Junior boys had an exciting and instructive season of soccer. Though it took a while for the team to get in shape and learn to play together efficiently and effectively. We enjoyed an early victory against B.C.S. in the junior tournament and played a number of very hard games against some extremely strong opposing sides. After a mid-season spell of injuries, the team worked harder and achieved a number of well-deserved victories. Unfortunately, we narrowly missed getting into the play-offs but each individual player put a great deal of effort into both practices and games.

Front Row: I. Gibbs, S. Telling, D. Skelton, E. Chu, E. Guevreumont, H. Wang

The Bantam boys soccer team started out the season as a big question mark. In fact, the main question was whether there would even be enough players to have a team at all. We did get exactly eleven players, and despite a season plagued with injuries (we sometimes played with eight or nine players), ended up a very respectable 5 and 5 in league play.

The team lost a heart-breaking defeat (2-1) at the hands of Triolet in the first semi-final of the playoffs and the season was over. Overall it was a very positive season for the players and for myself as well. A special thank-you to the fans who followed our season and even made the trip to the playoffs with us.

The bantam 'S' goes to Emery Guevreumont, Gueillermo Rodriguez, David Skelton and to our most improved player by far, Hank Wang. Well done guys.

BANTAM GIRLS' SOCCER

Coach: Mr. A. Solomon
Captain: E. Poston

It was a disappointing season for the Bantam Girls' soccer team. We had a low turnout for the squad, which resulted in our not having substitutes. In addition, we were plagued throughout the season by nagging injuries. Our few bright points occurred during games at North Country in Newport and at home against Salesien.

Congratulations to Ellen Poston for another Bantam "S".

CROSS COUNTRY RUNNING

Back Row: P. Renaud, J. Schick, K. Chen, A. Johnson, T. Malik, J. Tsao, D. Chase, A. Wong, V. Kasowaki, B. Mimram. Front Row: K. Mendez, V. Perez, K. Wong, N. Rawlings, S. Martin, B. Zeidler, R. Kasowski, M. Chase, B. Clark.

On September 6th, 1988, a diverse group of nameless individuals stood before me. I faced a task of which I was wary; that of coach of cross-country running.

The idea aroused a look of shock on my family's faces and a slight chuckle from my friends. However, I did not fear. My saviour came in the form of a mature young man; Philip Renaud. His excellent leadership and training skills made him a formidable ally. As well, Phil earned the respect of the entire team, myself included.

Although cross-country running is an individual sport, each member displayed commitment, team spirit, effort and they all had fun. On December 16th, 1988, I now ponder the experience and must make special mention of superb accomplishments: Bantam "S" to Victor Kasowski; Junior "S" to Rosalie Kasowski and Jonathan Schick; Senior "S" to Kent Chen. Thank you to all runners for your hard work, dedication and patience.

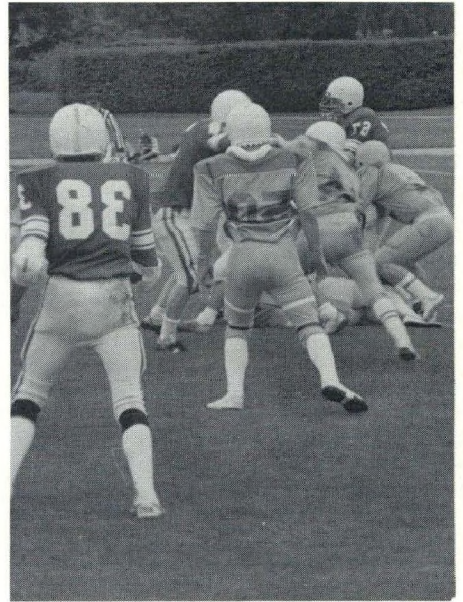

Sincerely,
Brigitte Mimran, Coach

SENIOR BOYS BASKETBALL

There was no way in November of this school year that I could possibly predict much success for the Senior Boys basketball team for the upcoming season. We had had a dismal season the previous year and there was no outstanding new talent in the school of which I was aware. However, this year the pieces just seemed to fall in place and we had an excellent season. We played over .500 ball with an 11-8 won loss record. We won the Massey-Vanier Invitational tournament and lost a tough one in the championship final of the BCS Invitational. We won the semi-final playoffs in the Eastern Townships Interscholastic Athletic Conference but lost in the championship game. Nevertheless we had come a long ways from last in the league to runners-up in one season.

The basketball season is a long one, spanning a period of five months or half of the academic year, but it was made a pleasure for me due to the pleasant and good-natured young men associated with the programme. The players worked hard on their skills and improved considerably. They worked hard on their conditioning but only complained with their eyes. I could ask no more.

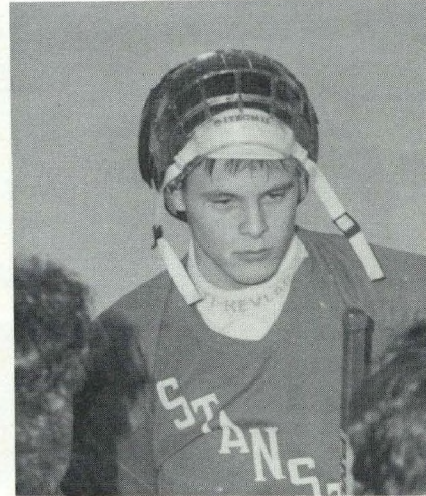

I want to thank everyone who contributed to making this season a memorable one and this definitely includes my managers and statisticians, Bart Kasowski and Ken Gagne. Congratulations to the major "S" winners, Al Mickie, Marcus Cheetham and James Wang. Good luck to the graduates and my sincere thanks to each of you for your contribution to the basketball programme at Stanstead.

This year's senior hockey team had nowhere to go but up. After two very difficult seasons this year's goal was to play progressive and competitive hockey. The team's style of play was based on discipline and team work.

For the Senior Spartans to be successful each player had to learn his position well and play in an unselfish manner. This was achieved and the results were extremely positive. The defense learned to stand people up at the blue line and became known for their bone crushing checks. The forward lines played both ways and became very adept at supporting the defense.

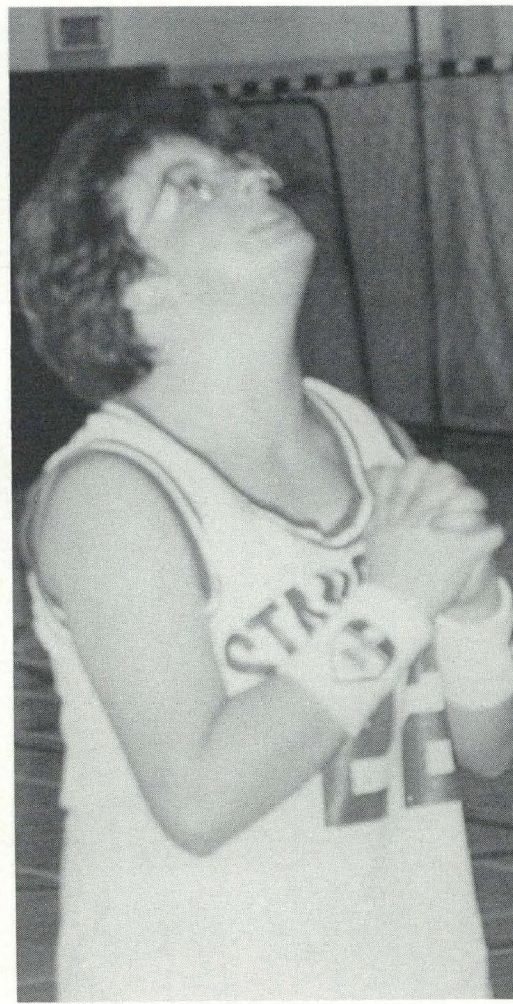

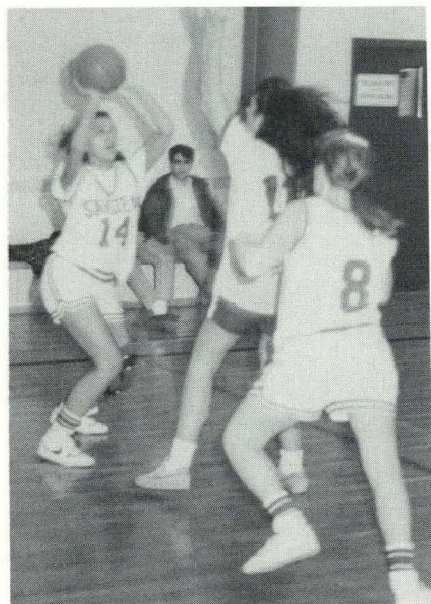

The team's record improved to 3-12-2 and with a solid nucleus returning for 89-90 we expect to improve on this years record. As coach, I would like to thank all of the players for their hard work and selfless dedication. I would especially like to thank Bob Fisher for his contributions as co-coach.

Coaching this year's senior girls' basketball team represented both a pleasurable and rewarding experience for me.

We had our limitations both in size and shooting skills, but these were the only areas in which we lacked. This club played with great spirit, heart and desire. They gave 110% both in practices and games and played with a "never say die" attitude. They were a real "team" in the true sense of the word.

With strong players returning and good juniors coming up, the future looks bright for next year.

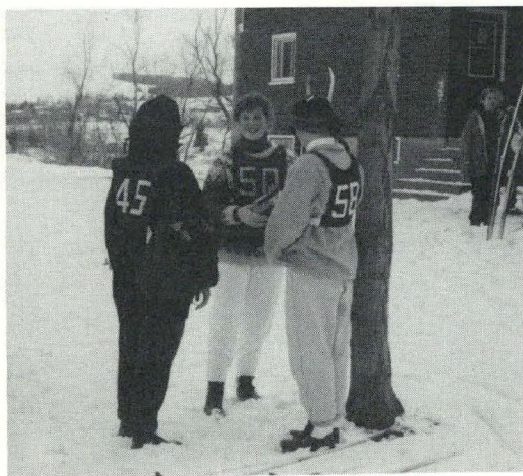

Thank you for a most enjoyable season.

CROSS-COUNTRY SKIING.

This was a most enjoyable year. Considerable work was done to the trails in the fall, we had forty-eight members and the snow was reasonably kind to us.

The team went from six year veterans to those who had never seen snow. Thanks to the enthusiasm of our captains, Liz, Darling and Nick, Saparoff, the majority worked hard, improved their techniques and had a lot of fun.

This was a good year for racing. The Junior Girls won the Sedbergh invitational and the E.T.I.A.C. Championship. The Junior Boys regained the Independent School's Championship, Rosalie Kasowski won the E.T.I.A.C. award for the best junior skier and represented the area at the Quebec games; Liz Darling won the best senior skier award, gained her gold medal on the Canadian Ski Marathon and came first in a combined slalom, jumping and racing event.

The skiers certainly won more than their fair share of medals this year and did a great deal to help the E.T.I.A.C. win the Zone Championship. Good friendly rivalry, excellent skiing and pleasing results made this a year to remember.

Awards: Bantam "S": I. Bosum, N. Cesari, R. Drouin Junior "S": M. Chase, R. Kasowski, K. Saparoff, D. Chan, J. Schick, A. Teffner, M. Watson.

Major "S": E. Darling, N. Sapparoff.

The Eric Edd Trophy for the most valuable skier was awarded to Elizabeth Darling.

Happy Skiing!

What a season! This year, the team was blessed with a strong group of dedicated, skilled and enthusiastic swimmers.

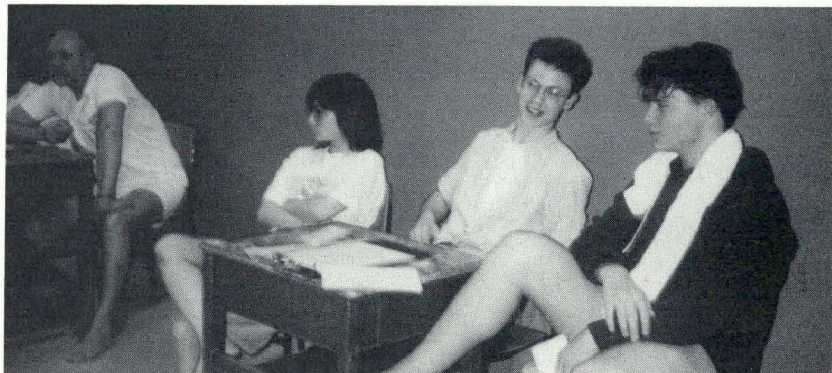

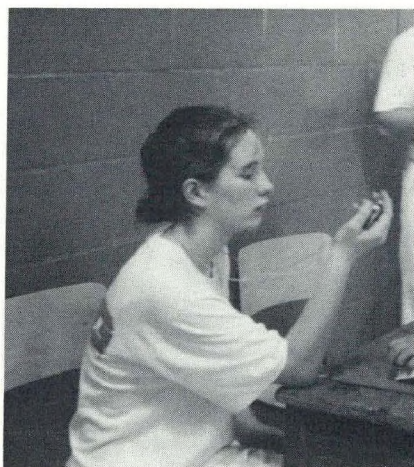

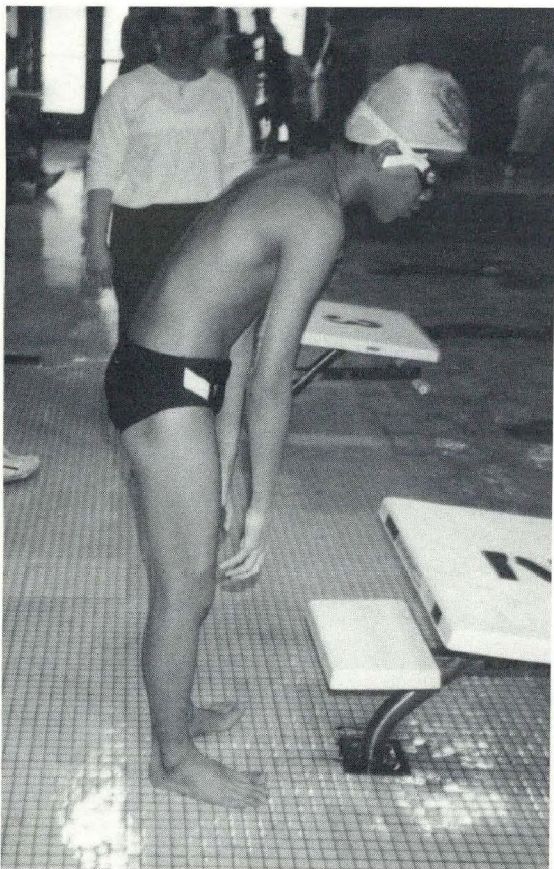

Training began early in November in order to prepare for the two leagues in which we participate; the Estrie league and the Greater Montreal Athletic Association.

It was a great challenge for the team to compete in both leagues. The competition is harder due to the participation of more teams enriched with club swimmers.

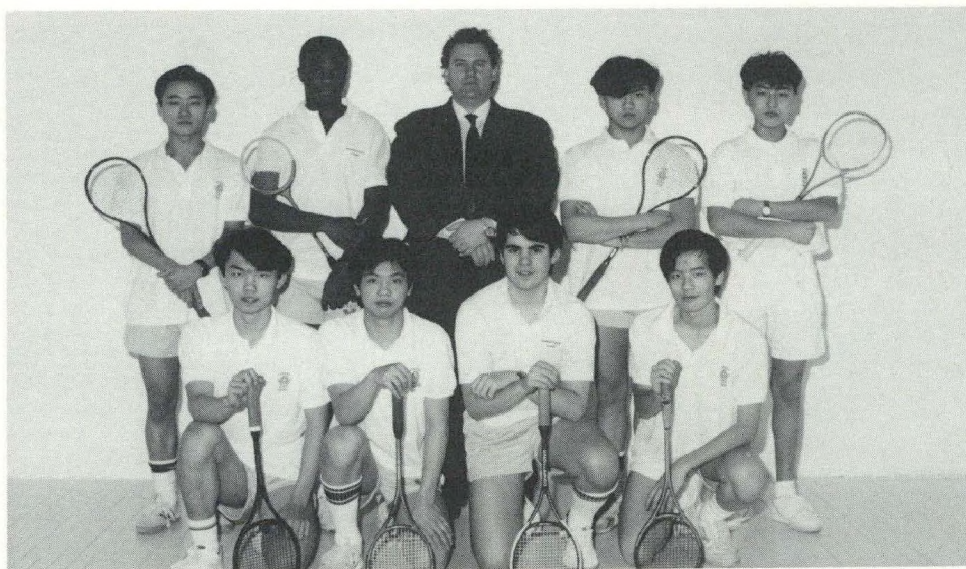

However, in spite of our numbers and lack of swimmers at the bantam and midget levels, Stanstead was able to have a very successful season. The juvenile girls placed first in both leagues. The juvenile boys placed second overall. It was very satisfying for all to achieve such success.

In closing, I would like to thank the team's two captains Mireille Guindon and Kevin Oickle for their leadership and encouragement to the team, the two assistant coaches, Madame Coutu and Mr. Jackson for all their help and invaluable assistance, our managers Melodie Martin and Chris Lemay and also Mr. Peter Channell for his continued help, support and interest throughout the season. Your contributions have all made this a memorable season.

SQUASH

This was a very successful year for the boys' squash team. Out of three major tournaments, Stanstead placed second twice, and third once. All the boys pulled together and supported each other during those crucial games. There was a sense of belonging and a striving for self-improvement that was demonstrated by each member of the team. Sometimes practices can become physically exhausting, yet everyone managed to make it through to the bitter end with only the occasional moan and groan.

Special thanks are give to our team captain, Alex Wong, whose excellent playing and dedicated behavior set an example for all the members of the team to follow. I hope every member of our team continues to practise and excel in squash and retain the camaraderie and good sportsmanship that marked our year of '88-'89

GIRLS' SQUASH TEAM

The girl's squash team this year was composed of a group of girls who were competitive and determined to improve their skills. One of the highlights of the season was a tournament held at Champlain College where the team came out on top.

I would like to thank our captain, Kirsty Lewis, for maintaining a strong team spirit and especially for being a challenging opponent to the other girls. I would also like to thank Alex Wong for his time, expertise and help in making our team a strong one.

I am looking forward to next season. I will miss the players who will not be returning - good luck to you all.

The Junior Boys Basketball Team started out with high hopes for the 1988-89 season. With five returning players and a group of keen newcomers, the team looked as though it would be very competitive in the Eastern Townships Interscholastic Athletic Conference. We won our first game of the season over Thetford at home, and lost the second by only three points to J.H. Leclerc. In the final league game before Christmas we beat Triolet (after having lost to them previously by fifty points) and so at the break our record was 2-4.

After Christmas the team lost two key players. From then on, despite some good efforts and close calls, we did not win again, finishing the season with a 2-12 record. It was a tough season for all of us -- going in to games knowing that we were going to lose. The boys kept their heads up and did the best they could in the face of tough competition. There was a large degree of skill improvement on an individual level but less so at the team level.

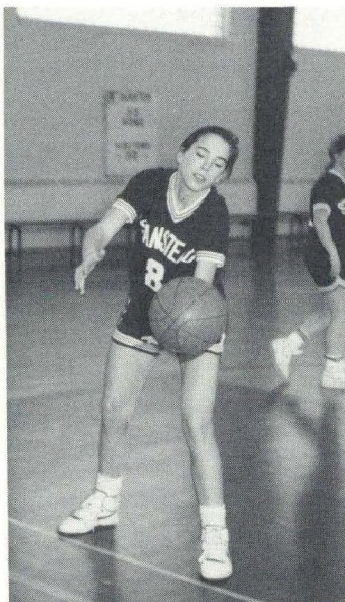

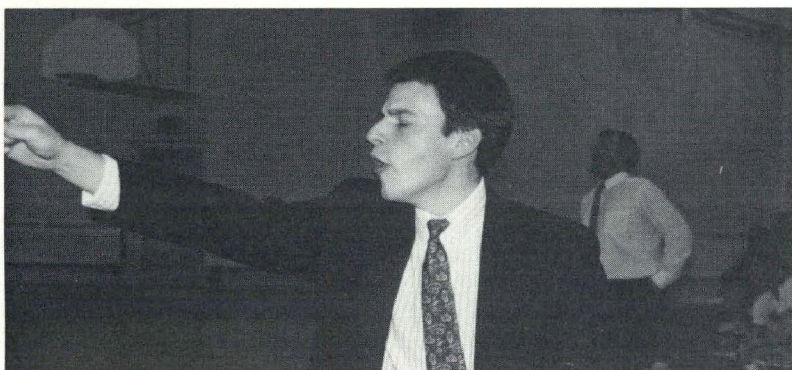

I am sure that Mr. Denney is looking forward to a number of the players graduating to the senior level in the years to come. Congratulations to Junior 'S' winners David Guigui, Guillermo Rodriguez, and Roger Wang. Thanks to everyone for their help and support this season -- Manager Stephen Telling, The Dean, and all our friends and fans.

This season Stanstead proved that we can compete with larger, often more powerful schools. Our successes were many and our disappointments few. Several highlights of our season will be in our collective memories for a long time. Beating Triolet by forty points at home after a nerve-racking one point victory in their gym was certainly uplifting. Our two regular season victories against arch-rival B.C.S. were most satisfying, as was our resounding defeat of Massey Vanier at home.

Perhaps the most memorable moment of the season was our final home game against J.H. LeClerc. We played an emotional, near perfect game to steal a one point victory against the team who would eventually make the league final.

I am very proud of everyone of my players. They are not only skillful basketball players, they are true sportsmen. With a solid nucleus returning next year, I hope that we are as competitive.

The stats for our great season were 13-5-0.

BANTAM HOCKEY, 1988-89

For the first time in 20 years, I had the opportunity and pleasure to coach a younger school team. Needless to say, the demands and priorities at the bantam hockey level are quite different from those at the senior level.

I had 13 of the finest young hockey players and an excellent manager which carried us through a 17-game schedule. Much time and effort was devoted to the skills of the game, as well as establishing good habits and discipline which should go along with every game. We had a nice balance of size, speed, skill and exceptionally good goal tending. Our games against B.C.S., Newport and Galt were our most satisfying and allowed us a combination of wins, ties and near losses. Five of our bantams will be moving up to the senior ranks next year which still leaves us with a good nucleus, as well as 5 pee wee-aged players who played for the local minor hockey Pee Wee Program.

Special recognition was attributed to 4 of the bantams at our annual Winter Athletic Assembly. They were Tom Peasley, Captain, Dominic Dumouchel, Malcolm McClintock and Peter MacLaggan. Peter was our leading scorer this year with 14 goals and 8 assists.

Many thanks to all the players for making the season an enjoyable one for me and hopefully many of us will be together again next year.

Alex Philip, coach

Although the school didn't have a PEE WEE hockey team this year, five College students did manage to play this season by joining the local town pee wee team called the Border Jets. By juggling study schedules and other school events, the boys were able to play 14 league games in the Sherbrooke area. If it hadn't been for their participation, it is unlikely that there would have been a local team at all. As the season draws to an end, the Stanstead College Jets are all saying that they look forward to playing hockey next year in a school uniform. Congratulations Ivan Gibbs, Emery Guèvremont, Victor Kasowski, David Skelton and Tony Xenos for such a great effort.

TRACK & FIELD - 1989

The 1989 Track & Field Team was the best balanced team I have coached at Stanstead since the school returned to its co-ed status in 1979 and this was reflected in the results of the various meets we attended this spring. In each of the six categories of boys and girls at the bantam, midget and senior level, we had competitors who won a number of first place ribbons. The team also showed its versatility by the success experienced in all areas of running, jumping and throwing.

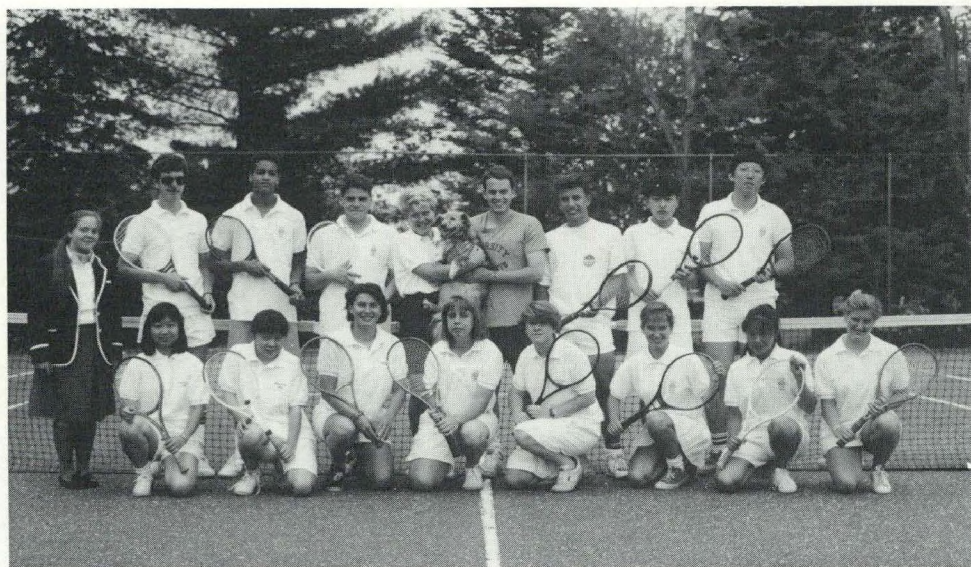

Our team is small in numbers which prevents us from being a serious threat for the team championship at the meets against the larger regional schools. We are competitive in the small schools division and this year we were narrowly defeated for the overall championship in our own Stanstead Invitational Track & Field Meet which featured six teams. Individually however, our athletes had an excellent year. In the bantam boys category, Guillermo Rodriguez won the individual high aggregate at both the Richmond Invitational (5 first and a second) and the Eastern Townships Championships. Guillermo also set 4 new school records in the bantam division. At the senior boys level, Cedric Watier won the high aggregate at the Stanstead Invitational and tied for top honours at the Richmond meet. For the senior girls, Isabelle Paradis closed out her outstanding track career at Stanstead in style as she won top honours at the Stanstead Invitational, Richmond Invitational and the Eastern Townships championships and shattered her own 100m, 200m and 400m records in the process.

Congratulations are in order for our top boy and girl athlete. Cedric Watier, in his first year in the track programme, won the Russell Langley Memorial Trophy for the best all-round male track athlete while Isabelle Paradis won the Alice Amaron Trophy as the best girl athlete for an unprecedented 4th consecutive year. Isabelle currently holds every girls sprinting record in the school at the bantam, midget and senior levels. I certainly hope she pursues her track career in the future.

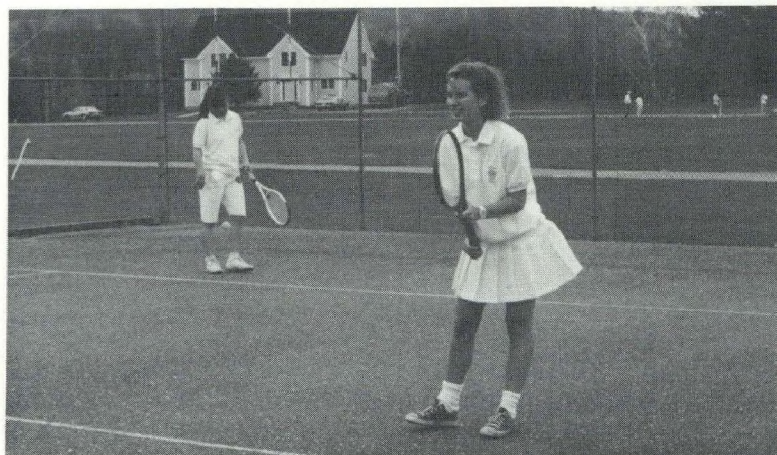

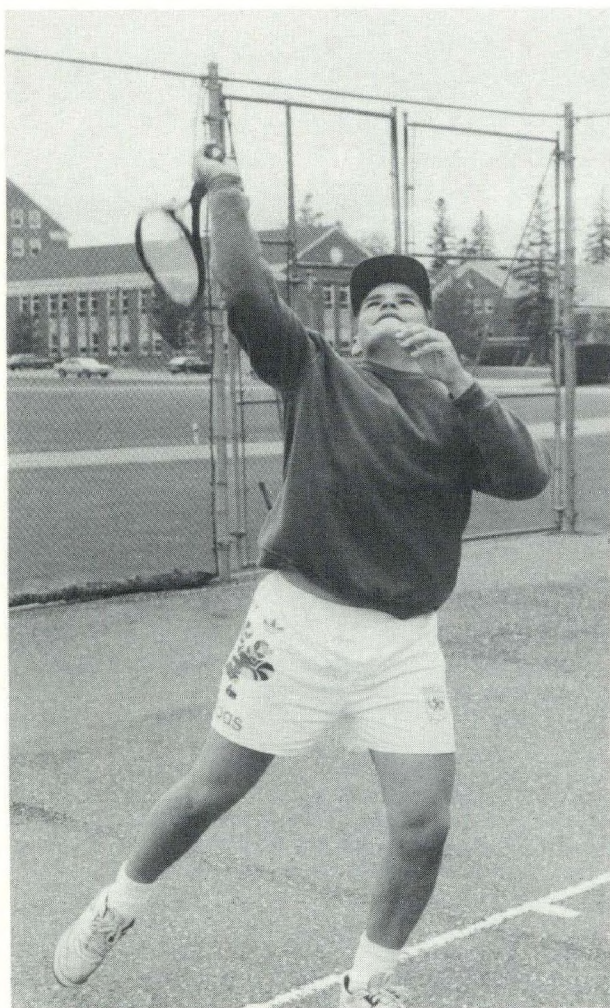

I want to thank the graduates, notably our captains Bart Kasowski and Isabelle Paradis, and wish them well. I also wish to thank my co-coaches Mr. Philip and Mr. Channell for their dedication and help throughout the season. Lastly, I wish to thank the entire team and our manager, Natalie Cesari, for making 1989 a very memorable track season indeed.

TENNIS 1989

Although this year's season was quite short and we didn't get the opportunity to play as many matches as we would have liked to, we did manage to get a good team together and enjoy ourselves.

During our matches with BCS, we were impressed with the team's performance and the improvement each player made throughout the season. Their sportsmanship and good cheer were also commendable - especially considering the amount of times we were rained upon . . . We did, however, miss the joyrides to Saint Johnsbury and the ETIAC Tournament - but hey, we *still* have the trophy!

A special thanks goes out to Carolyn Stokes, our helpful and ever-present manager. We would also like to thank Tawny (our team mascot) for making this year's photo-taking such a pleasurable event.

The recipients for the Stanstead College Tennis Shield this year are Ria Yamamoto and William Lin. Congratulations to both of you.

We wish you all the best of luck and hope that you will continue with your efforts in tennis. Thank you very much for a great season.

JUNIOR RUGBY 1989

This season's rugby program fell victim to the numbers game. Our high hopes for both a junior and a senior team were crushed when we did not even have the fifteen people necessary to form one side at either level. Eventually, it was decided that we would go with a junior team and add on a few younger-aged seniors to fill out the roster.

The team was a combination of experienced seniors, experienced juniors, and a number of newcomers to the game. Our relative size and experience disadvantages did not prevent us from performing quite well throughout the season. We were not part of any league, but in the five games we played, our record was 1 win, 3 losses, and 1 tie. Our first game was a hard fought 4-0 loss to B.C.S., followed by an 8-3 win over Selwyn House at B.C.S. In the return match against Selwyn House, played on less than ideal field conditions, the result was a very contestable 12-12 tie.

The next game was perhaps the highlight of the season, as we played host to a visiting team from Scotland, Knox Academy. The whole school was able to watch the game, and most found it (if slightly confusing) quite entertaining. It was an excellent showcase for the game and our boys were pleased to see that they could compete against the larger and more skilled visitors. After the first half, the score was 4-3 in our favor. In the second half, the Scottish team dominated and ended up winning 24-4. It was an invaluable experience for the players and coaches on both sides and it is hoped that this type of event can be repeated in years to come.

In the last game of the season, we were looking to revenge our early season loss to B.C.S. We quickly realized that this would not be possible, as they brought out their 'A' squad and defeated us soundly 24-0. All in all, the season proved to be a rewarding experience for all involved. Special thanks must go to Sean Madden, Marcus Cheetham, YoshiNori Sudo, and Kevin Oickle, the seniors who helped coach and play all season and whose effort and spirit were much appreciated. Thanks also to manager Becky Lewis for her assistance throughout the season.

EXCURSION TO GREECE

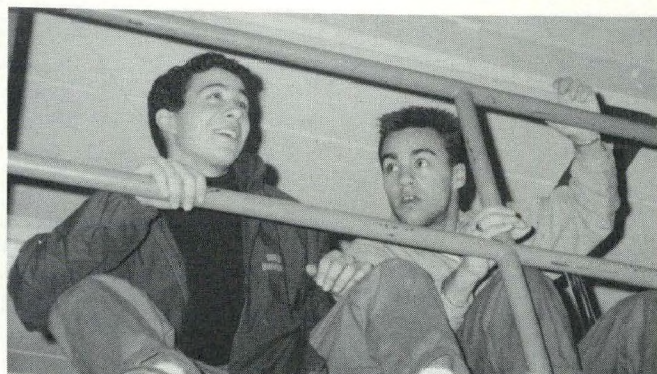

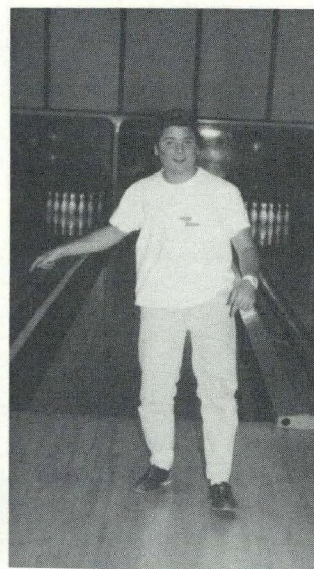

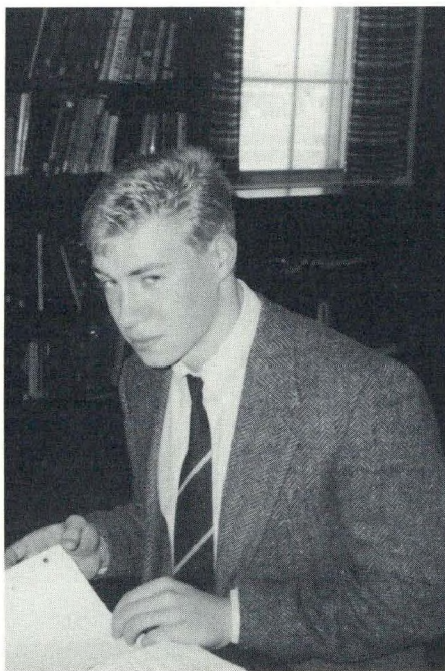

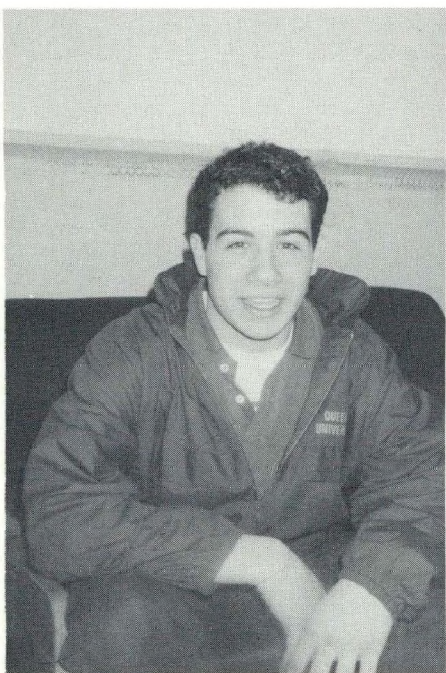

RESIDENCES AND ACTIVITIES

DAVIS HOUSE

DAVIS HOUSE

This was my first year as House Director of Davis and I must say, it was a very pleasant and challenging experience. Students come to the residence from vastly different backgrounds and varying experiences, yet right at the beginning they are expected to be able to co-operate with each other *and* live together in harmony.

This is quite a plateful to handle yet the boys managed to pull it off with great success. The House ran very well thanks to our students, and especially our prefects and my assistant, Mr. Solomon. During the year, new friendships were formed and everybody was able to overcome the occasional "room change".

What made this year so special was how almost everyone looked after each other and pulled together, especially during the crunch of exams. Thank God for those "Davis Destroyers"! Till next year, I wish everyone a fantastic summer and best wishes for the future.

Mr. A. Tabatchnick, Davis House Director

COLBY HOUSE

The year started and suddenly 76 young ladies arrived upon the scene and the halls of Colby resounded again with laughter and languages from around the world. After the initial culture shock subsided, the Colbyites soon settled down to the daily life of residence living. Prefects and returning girls were quick to make the newcomers feel at home and welcomed, while old friendships were happily re-established after the hot summer months.

Looking back over the trials and tribulations of the past year, I am amazed at how harmoniously everyone co-existed in our crowded living quarters. Tension will always develop when so many live and work together, but more importantly, every girl who leaves us this year will leave with life long friendships and lasting memories.

I would like to offer my special thanks to Ms. Sue Broden and Ms. Bridgette Mimran, for your enthusiasm and support throughout the year. You are my lifeline when the going gets rough. To the Colby T.O.D.'s for your patience and good humor. To the School and House Prefects, who performed many a thankless task with dedication and a smile. To the Colby House Committee, who once they found their stride, developed an excellent program of fundraising and activities. Their hard work was appreciated by everyone at the end of year B.B.Q.

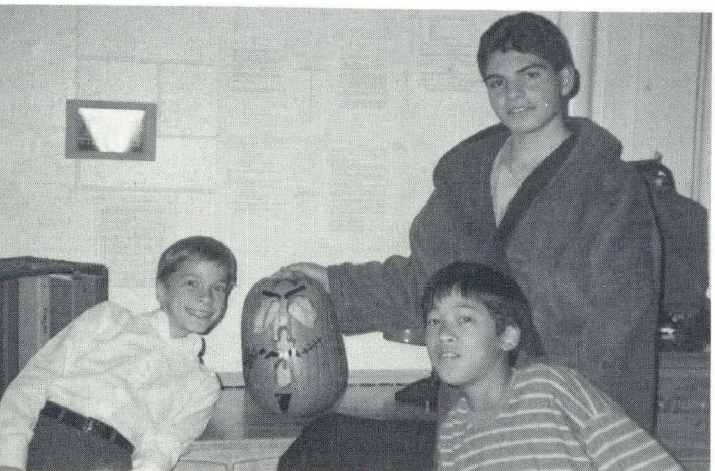

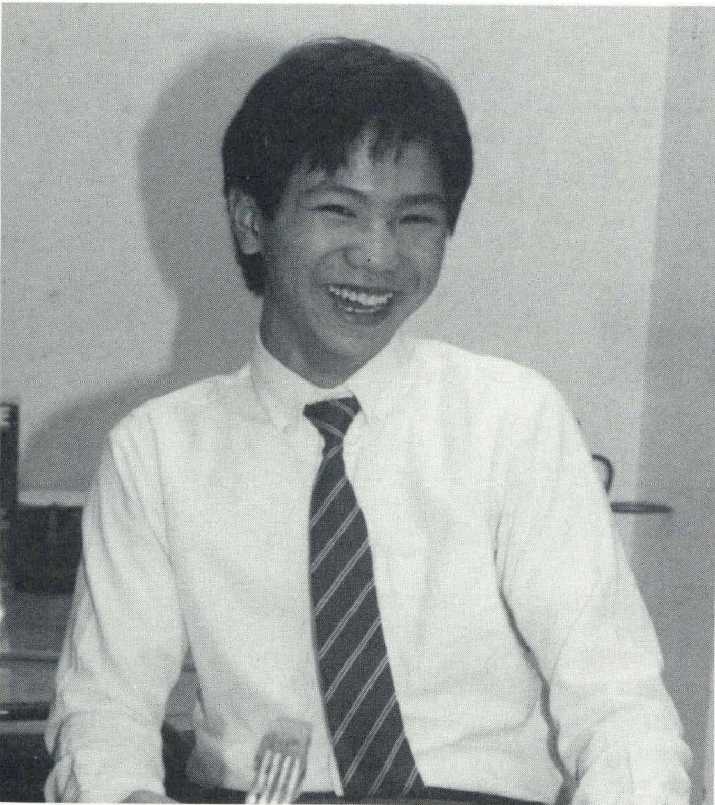

Finally, a big thank you to all the ladies of Colby House. You are what makes this a "special place".

Ms. D. Tremblay

BUGBEE HOUSE

"It was a very good year" to use an overworked saying. I had a great deal of fun this year and I am even looking forward to next year when our present grade eights will get to be on the top rung of this stage of the ladder.

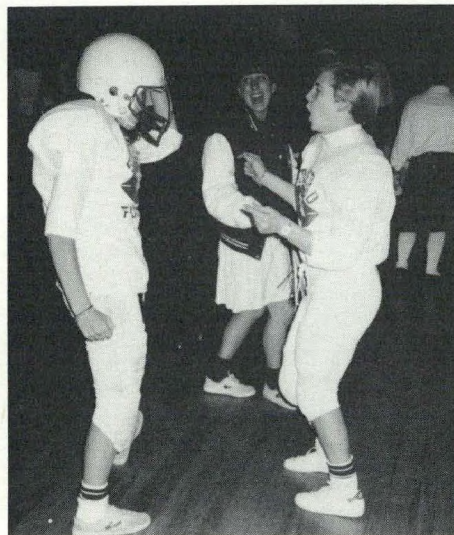

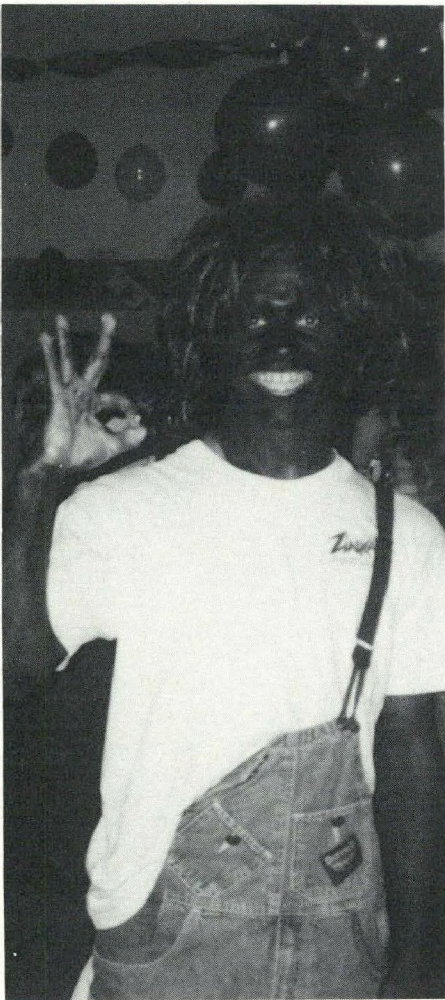

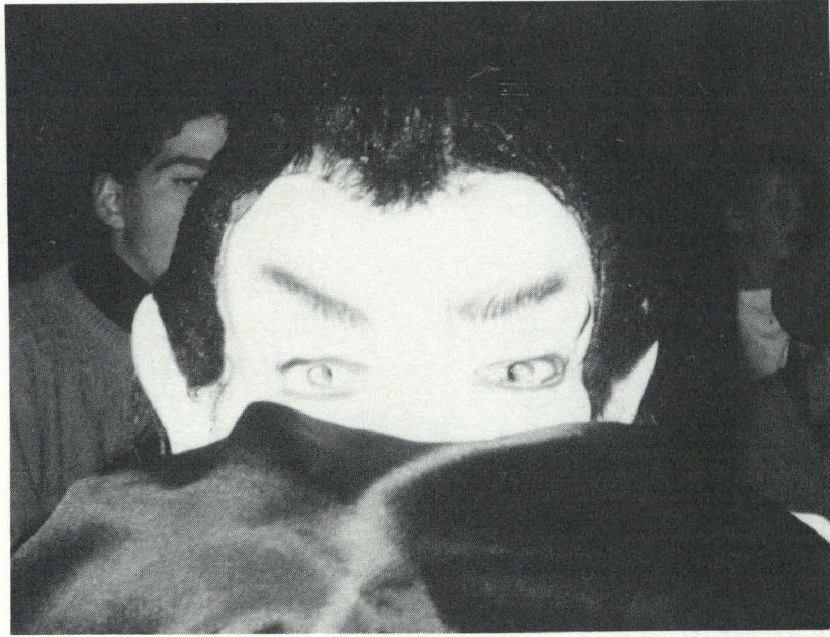

After the usual period of adjustment the Bugbee Boys came together as a team and worked as a unit to make the house run smoothly. After one or two false starts, at which time I would take over, the students got the idea that it was much more pleasant if they ran the house properly than having mean old me do it for them, and then they did an admirable job.

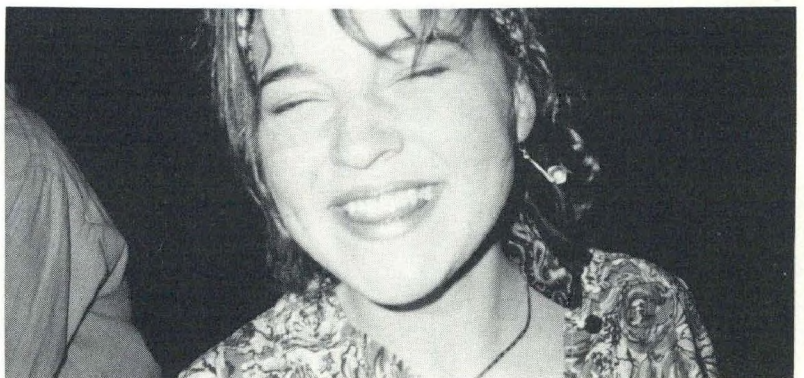

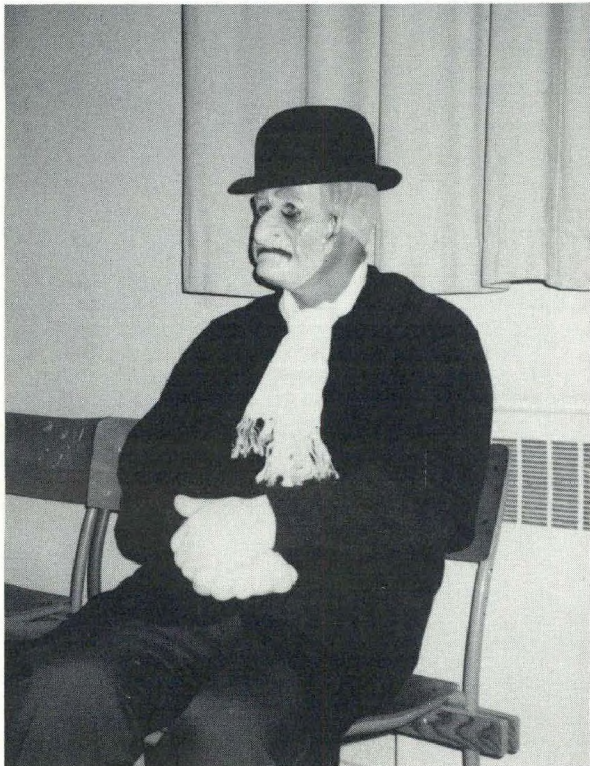

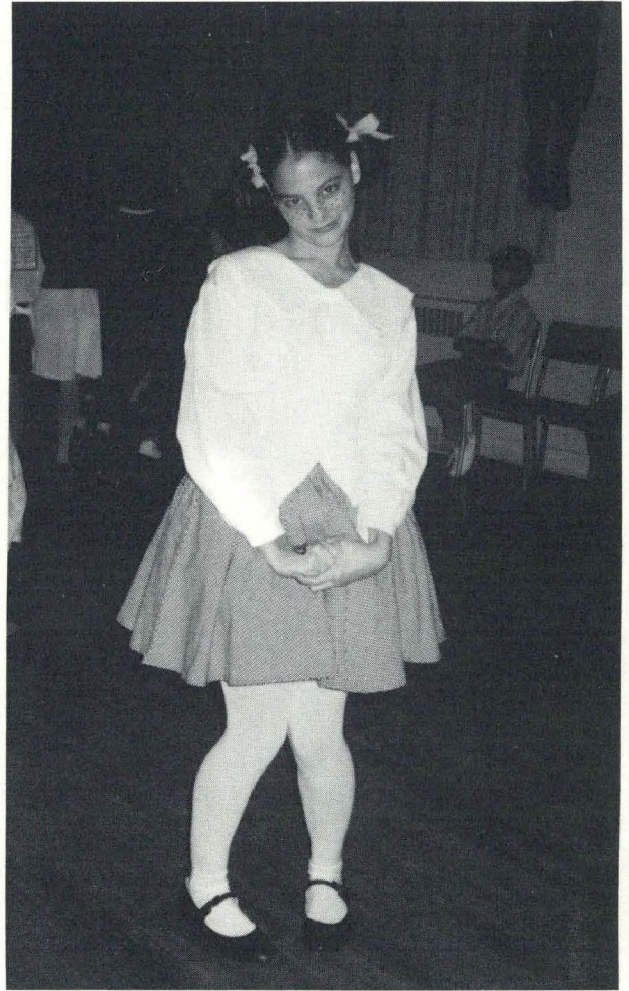

The house committee did not have one dominant member but rather a group of boys who quietly got things quietly done and lead by example. Thank you for all your help. The food committee worked very well once again. They put their 'all' into it and with help from many members of the house they got the smoked meat sandwiches and hot dogs made. The crew who took care of the soft drink machine did a good job also. Between filling the machine, counting the money and taking care of the empties, they were kept busy. A special thanks to all those students who donated their empties to the house fun. It really helped us.

We broke in a new Assistant House Director - Mr. Steve Jackson and a new cleaning lady - Jocelyn Gingras. While Steve's appointment was expected Jocelyn's wasn't. Mrs. Betty Brock, our cleaning lady back from when the junior boys were in Colby, decided to retire. We wish you all the best Betty and thanks for being so good with the turkeys. Thanks Steve and Jocelyn for jobs well done.

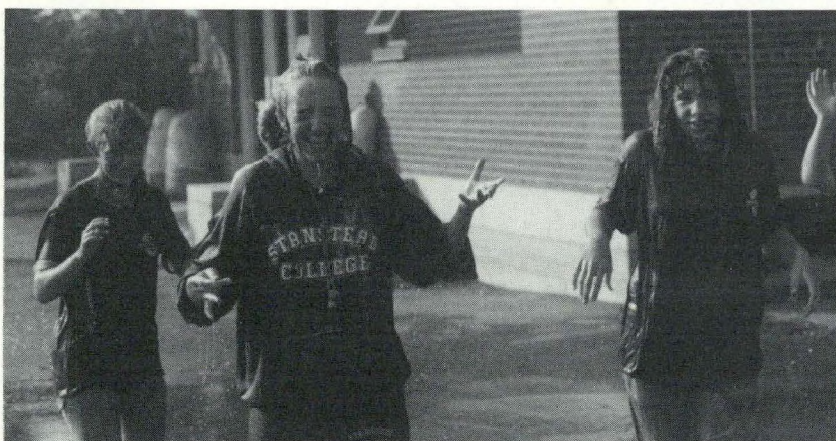

Thanks to the seniors and prefects for all you have done. You have helped make the year a good one. To those who will graduate or otherwise not return I send with you my best wishes. To the grade nines - thanks for a good year and I look forward to having some of you back in a different role in grade eleven. To the rest, thank you also and I'll see you next year for another good one.

- P. Ashworth

NEW STUDENTS' RACE

SPINA BIFIDA

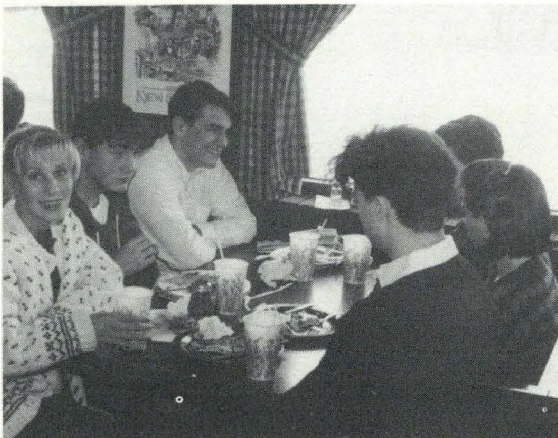

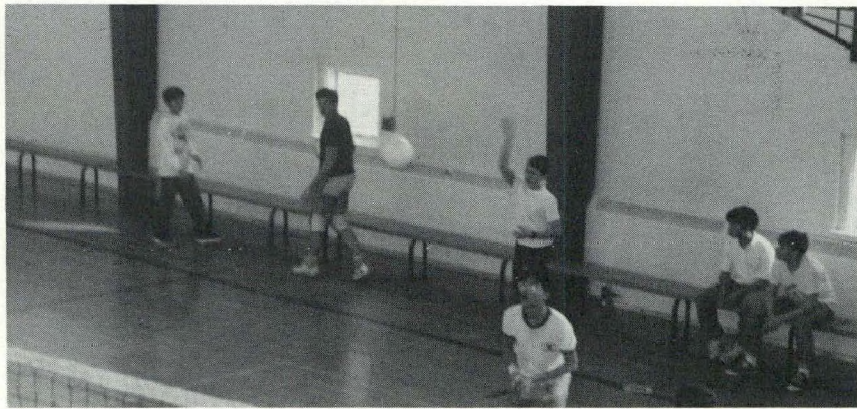

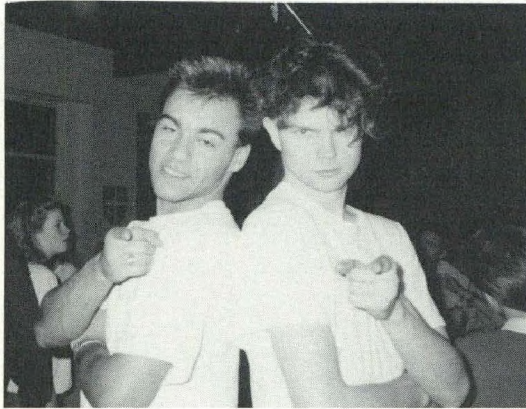

This year Stanstead students, for the first time, joined our Alumni in supporting the Quebec Spina Bifida Association. For some time now the Alumni have been raising money for this worthy cause and two of the Alumni, Peter Wynne and Peter Newman visited the College last fall and met with the Animation Committee. They told us about Spina Bifida, a crippling birth defect, and of some of the ways the money raised by the Alumni is used by the Association - for example to purchase special equipment used by children who are afflicted with this problem.

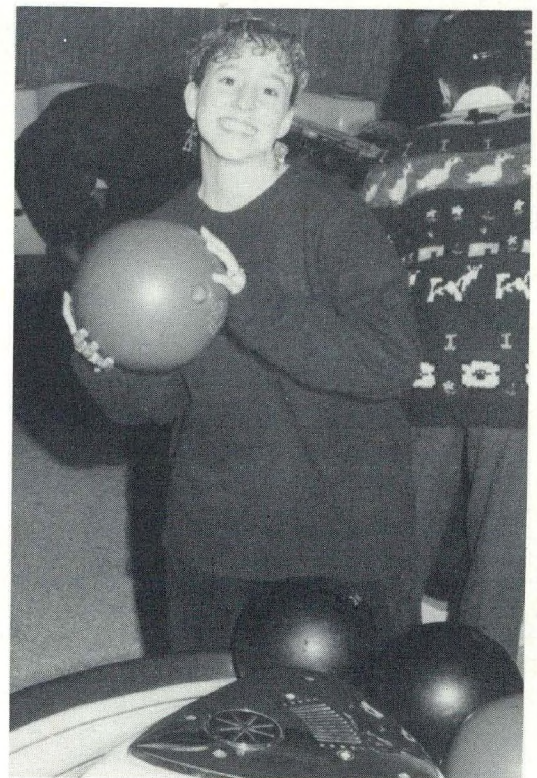

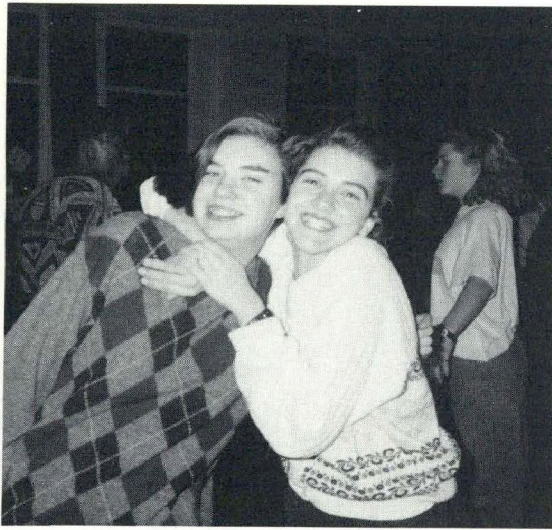

At their invitation, our committee decided to pitch in and help in some way. We thought of a number of projects, some of which were a ski-a-thon at Jay Peak or theatrical production at the Haskell opera house. These we have put on hold for another year. Instead, we went with a campus wide penny drive which started on the Alumni weekend in March and ended on the Alumni weekend in May. Large jars scrounged from the kitchen, one per class, were set in a classroom and the race was on. Other collection areas were the business office and the tuck shop. Visitors to the school found their pockets ransacked and piggy banks were sacrificed to the cause. Grade seven cried foul when grade eight ripped off one of their carefully guarded hoard etc.

It soon became obvious that grade seven, all ten of them, were threatening to win out despite everything twenty-three determined grade eights could do, the other grades already well behind. The two way battle see-sawed back and forth the last two weeks and contributions were checked daily to see how fast levels in the two jars were going up. The fateful Saturday of the final count saw a motley crew of students counting and wrapping over 20,000 pennies. The grade sevens won and the final total of \$213.08 was presented to the Spina Bifida Association, whose president, Mrs. Diane Regimbal, was a special guest at the Alumni-Grad Banquet that night.

HORSEBACK RIDING

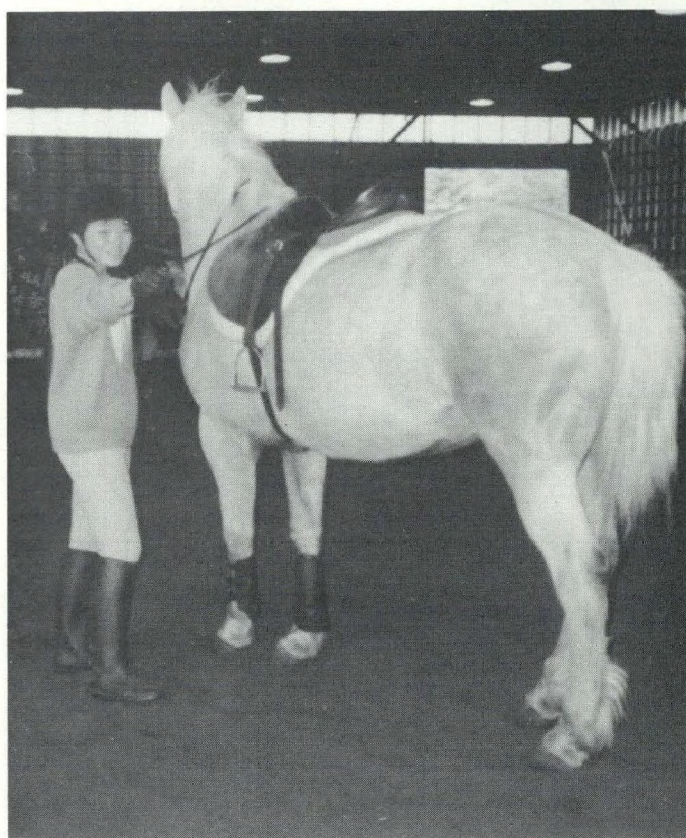

This year brought some changes to the format of the riding club. Firstly, all the students were collected together and driven to Wilvaken in their mini van instead of the taxi shuttle service.

Once at the stables, the students there divided into two groups, beginners and advanced. While one of the groups had their riding lesson the other group was taught how to groom their horses for that day.

The students who attended the club this year seem to have gained a lot of experience and enjoyment activity.

DAY STUDENTS

Standing: S. Stevens, M. Beasse, A. Flewwelling-Skup, T. Denney, R. Kasowski, A. Johnson, K. Saparoff, E. Taylor, K. Comes, M. Bolduc, T. Peasley, C. Fountain, K. Reynolds, N. Dewey, R. Gallant, N. Saparoff. *Kneeling:* V. Kasowski, C. Stokes, S. Telling, D. Skelton, E. Poston, K. Denney, G. Skelton, S. Robitaille, D. Lussier, R. Poston, A. Emslie, J. Poitras, J. Blouin, M. Sutton.

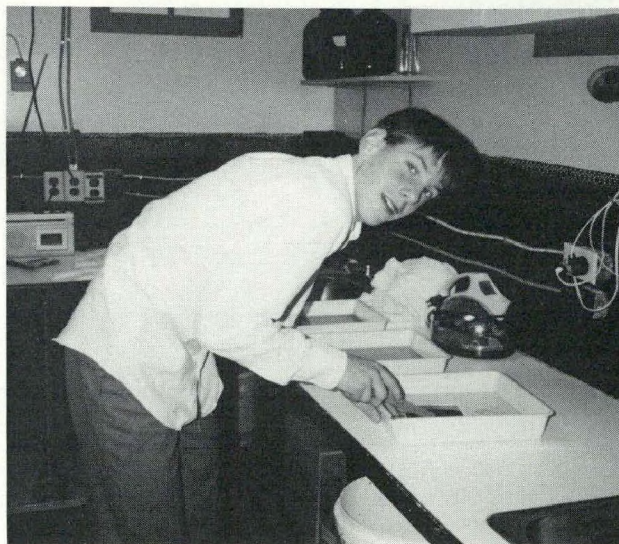

SPECTRUM

It always seems that the students who carry the most responsibility in the yearbook - the editors - are those who involve themselves in many other areas. They probably feel they have everything under control but what they feel and what the advisors see are two different things and the advisors worry and worry and worry. Sometimes we even get frantic.

This year has been no different and we have even gotten frantic. We have two excellent editors in Bart and Liz and, each in their own different way, have contributed a great deal to the book. Thanks guys! We are also blessed with a great group of supporting students. Thanks to you all - and a special thanks to the layout people who do so much. We think we have another good one.

Mr. Ashworth, Mr. Duncan - Advisors

INVESTMENT CLUB

Standing: I. Lin, C.L. Malo, K. Chen, J.P. Heynemand, J. Wang, I. Paradis, J.P. Aoun, B. Lewis, M. McClintock, A. Ferron, R. Mercer, Mr. A. Solomon, Mr. A. Elliot. *Seated:* M. Watson, F. Chu, K. Lewis, S. Madden, C. Lemay, B. Kasowski, B. Clark, E. Darling, K. Oickle, F. Paradis, J. Porres, Q. Bui, Y. Hamaguchi

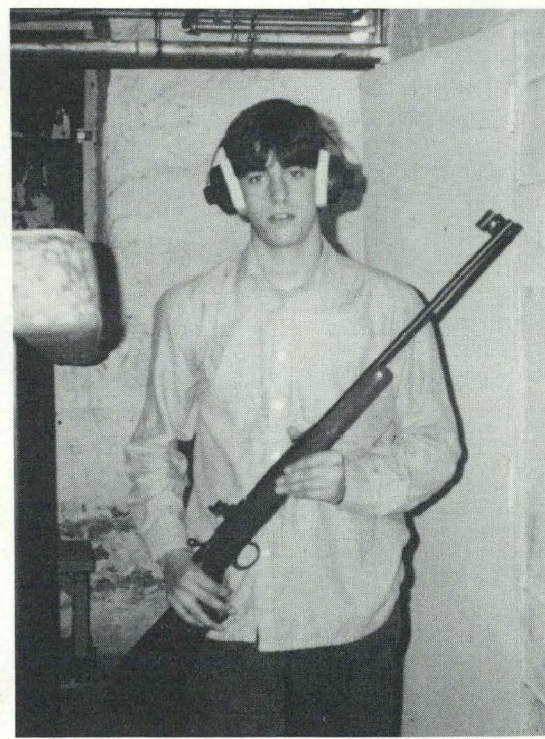

After a money-losing campaign last year, the fortunes of the Investment Club turned around and we came out with a significant profit. In my first term as President in 1987, our hopes were dashed by 'Black Monday'. In this year's rejuvenated investment atmosphere, our staff advisor, Mr. Elliot, suggested petroleum refining and the Bank of Montreal stock. Although none of us liked the name Turbo, the penny stock did quite well for us. Burlington Resources also did well.

The executive of this year's club comprised of Sean Madden, Kevin Oickle, Elizabeth Darling, Chris Lemay, and myself. On behalf of the executive, I would like to wish next year's officers and shareholders the best of luck. May the bear market stay in hibernation.

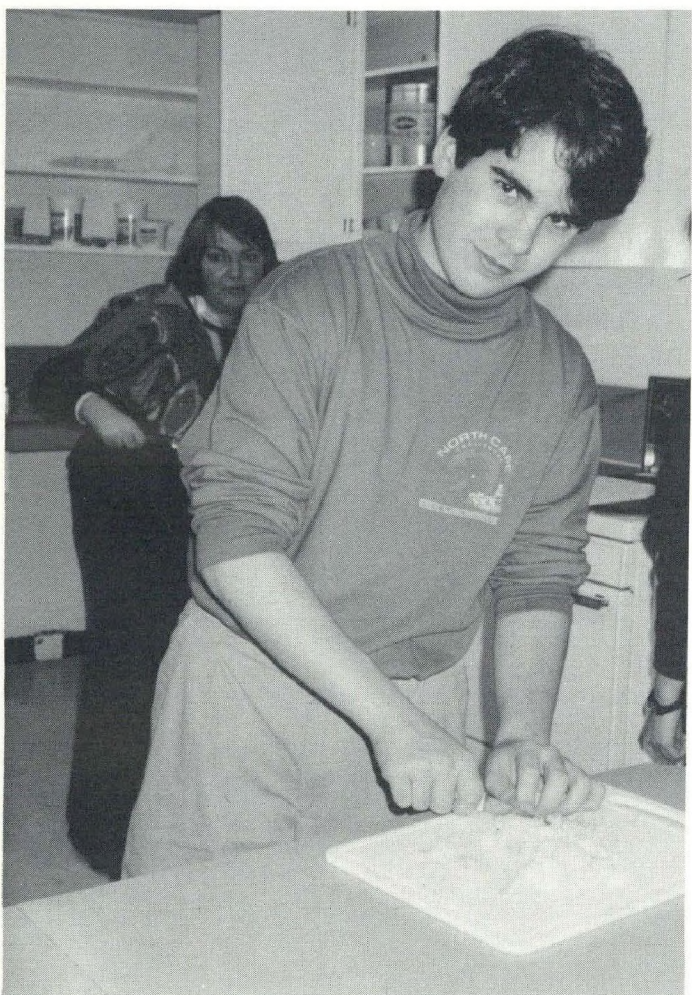

Bart Kasowski, President

RIFLE CLUB

COOKING CLUB - BATCHELOR SURVIVAL

The Cooking Club was a new club started this year made possible because of the Home economics room. It was a small but happy group and of course the best part was that the students were able to eat the results of their labors. We attempted many different dishes but the most adventurous was Paella which everyone seemed to enjoy very much.

DEBATING AND PUBLIC SPEAKING

Back Row: B. Kasowski, P. Williamson, E. Darling, K. Lewis, A. Leiva *Front Row:* Q. Bui, R. Schick, V. Kasowski, R. Kasowski

The debating and public speaking club was advised this year by rookie Mr. Milsom. He is not, however, a rookie to public speaking. His experience and involvement opened up many new areas and techniques to the club members. Despite the general enthusiasm of the group, competition with other schools and clubs was limited, mostly due to time conflicts with other school activities. The club was, nevertheless, a great source of learning and experience for those who participated.

Although several of the club members, Phil Williamson, Elizabeth Darling and myself will be leaving Stanstead this year most of the returning students plan to participate again starting in September.

On behalf of those who are departing, I would like to wish the younger students the very best of luck next year and in the future.

MODEL TRAIN CLUB

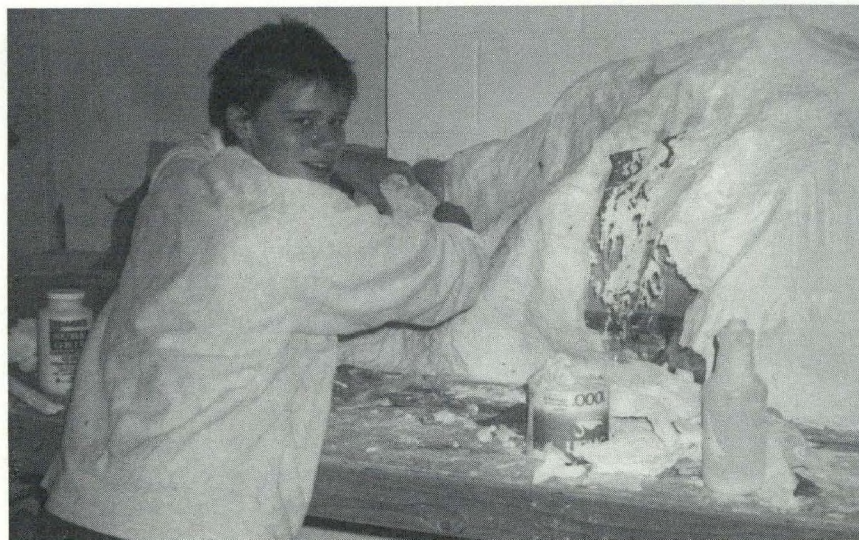

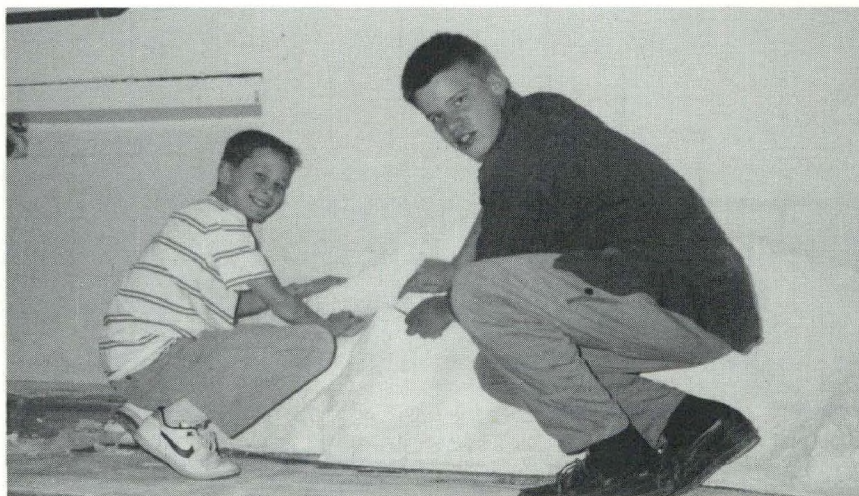

The train club progressed quite well this year although we had hoped to get the trains running again. The main mountains took a lot longer to make and consequently there was no time left to put the tracks back in shape. Some buildings were built and we will be ready to put these down with several others once the club opens again next year.

I would like to thank all the members for their efforts in a tedious time. I would especially like to thank Alpheus Bullard whose past experience made him a natural to run the club. Your knowledge and efforts were appreciated by all A1.

A MESSAGE FROM THE PRESIDENT

John Stronach
'72

Having just completed my first year as President of the Alumni I am pleased to be given this opportunity to include a few words in the Spectrum.

It can not be left unsaid that the active year we have experienced could not have been accomplished without the continuous support of the Students, Staff, Trustees, Parents not to mention the Alumni.

The year began with our second charity baseball game against CJAD Radio in June which raised funds in support of the Quebec Spina Bifida and Hydrocephalus Association.

Alumni Summer Hockey continued at College Brebeuf in Montreal.

The annual Fall Alumni Games were held in October and were thoroughly enjoyed by the large number of Alumni that attended.

The Stanstead College Tournament open to the Alumni of other Montreal area schools was held in November with Stanstead winning the trophy.

Our annual Lady "B" Hockey Tournament between Alumni and students took place during December at the College.

Another Alumni get together was held at Winnie's in February.

Winter Alumni games were played during March.

The Annual General Meeting was scheduled in May with a baseball game and a dinner with the seniors.

A very successful Gala Evening to raise funds for improvements to Pierce Hall was held at the Helene de Champlain Restaurant.

During the year, your Alumni participated in the Quebec Alumni Association of Independent Schools (QA AIS).

It has been a pleasure to participate with the Students and I look forward to hearing from and meeting with as many of you as possible in the coming year at Alumni fall and winter games, Alumni summer hockey, Annual General Meeting (AGM) as well as any of the Alumni events that are scheduled during the year and advertised in the College Bulletins.

Remember that the Alumni thrives on its Alumni's participation and support and for your convenience we have established Area Chairmen across the Country. The names of the Area Chairmen are included with our best wishes in this Spectrum and I know they shall look forward to hearing from you when you are visiting or moving to their area.

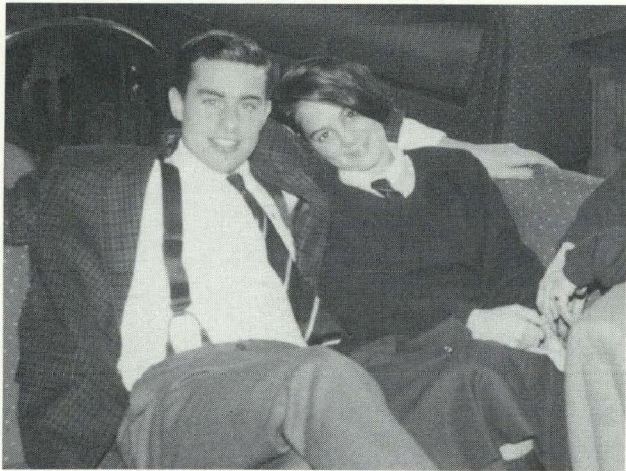

On behalf of the Alumni I wish the graduates and the returning students much success.

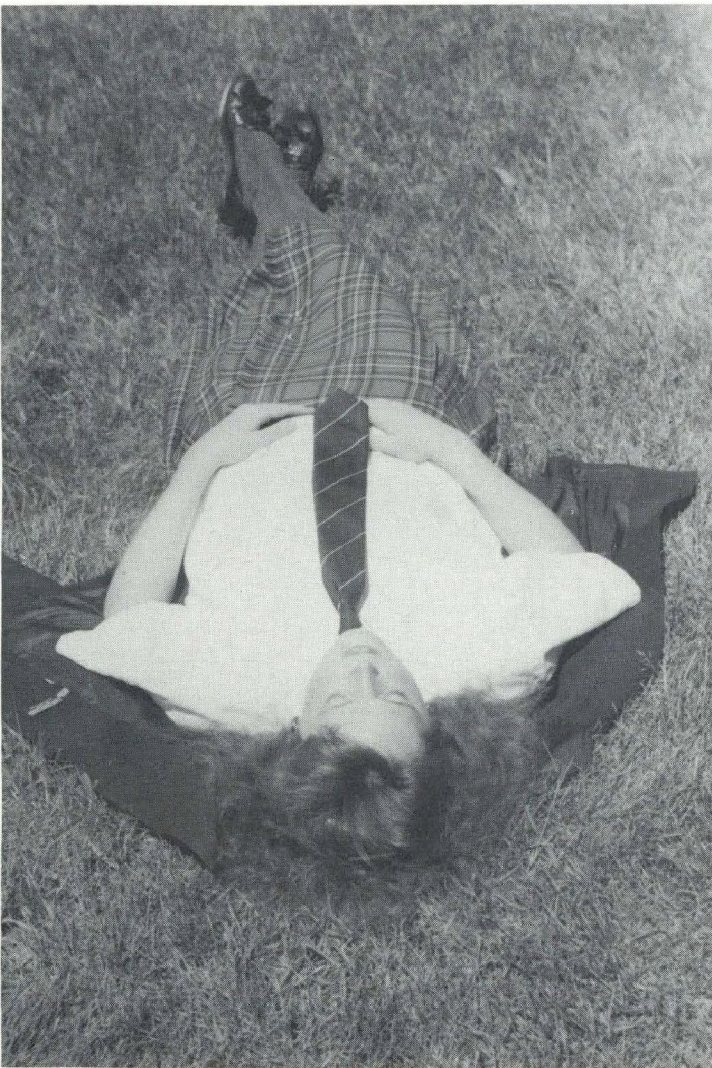

John K. Stronach
President, Alumni Association

OFF AND RUNNING . . .

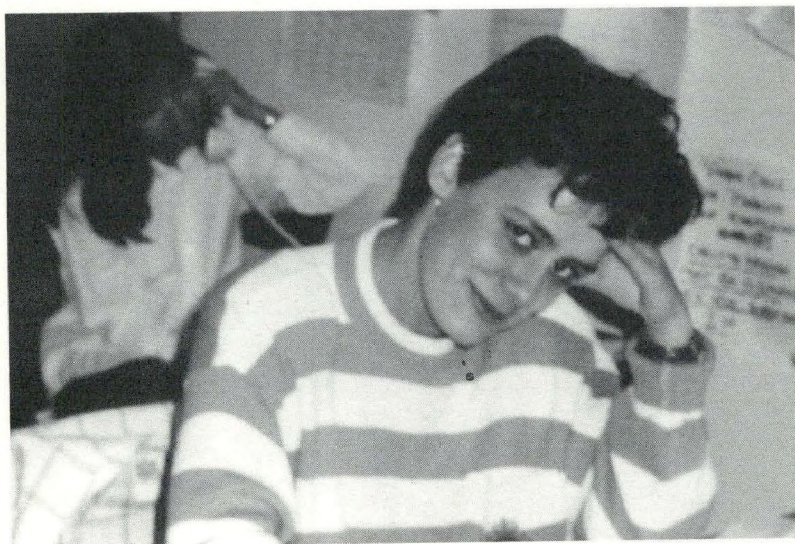

Nancy Allard Coutu

Three years ago Nancy Allard Coutu came to us as a newly married teacher, fresh from the Education Department at Bishop's University. Since that time she has added a member to her family in the person of her lovely daughter Alexandra who was born during her second year at Stanstead.

Known for her high level of energy and her insistence on great quantities of work, Nancy Coutu has made a reputation for herself as a demanding teacher of français and French. Students from beginning through intermediate and advanced levels of French know that she is merciless in her requirements for the learning of verbs, reading stories and preparing oral recitations. While preparing and teaching five classes a day, she has also been one of the coaches of the swimming team and has participated in other school activities as well as being a member of various school planning committees. Her advisors will not forget the time given to listening to their problems and sharing their moments of joy. Despite her very serious approach to life, we all have found that she enjoys a good laugh and we will miss that.

Unfortunately she must leave us after such a short time. She and her husband Yves are going on to new adventures. We wish them all the best for the future. Couldn't you have stayed a bit longer? Bonne chance et bon courage!

--Paul Duncan

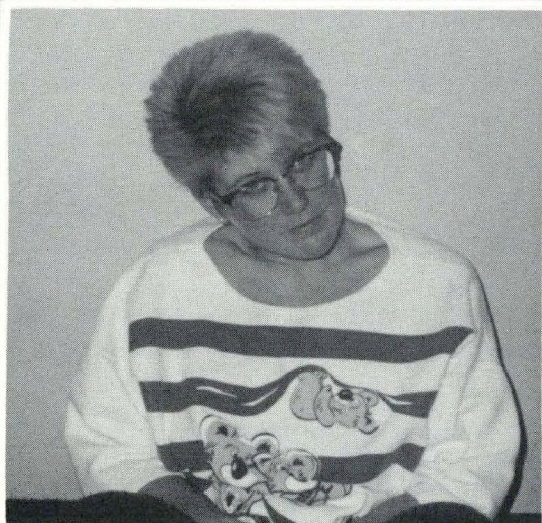

Veronica Freeman

Two years pass so quickly! Veronica Freeman, teacher of French and Spanish and sometimes teacher of English Second Language, came to us from Québec City and Montréal. Her time here is symbolic of her high level of energy and involvement in her work. Memories will remain of the great amount of effort she put into her Spanish and French classes. We, students and staff alike, will not forget her tenacious nature as she applied herself to the job of teaching at Stanstead College. Dauntless in her commitment, she travelled to Mexico to study more Spanish, and strange as that may seem, took up the study of German. Tennis lessons during spring vacation prepared her for coaching the tennis team while the fall sports' season saw her on the soccer fields with her team.

Whether it was French or Spanish, her classes often rang with the sounds of music or poetry. The arduous task of verbs, in both languages, was not forgotten and we hope the verbs will not be forgotten either. Serious moments, meant serious work and her students found that they had better produce or else! Respect was earned for her demands and for the time spent in preparing lessons and giving time to help students when the help was needed.

As Veronica Freeman leaves Stanstead, we thank her for all she has done and given to us; encouragement, friendship and a kind smile. Wherever you go Veronica we can only say, "bon courage", "buena suerte", "auf wiedersehen". We wish you could have stayed longer.

-- Paul Duncan

Ida Comstock

Ida Comstock was born in St. John's, Newfoundland and moved to Rock Island in 1945.

She started working at Stanstead College in February of 1965. She worked in Davis House part-time, and nights and weekends in the kitchen. Then she moved to Colby House where she worked until her retirement on October 26, 1988.

She has five children and seven grandchildren in different parts of the world.

On October 24, 1988 she had a small get-together with fellow workers and on October 25, 1988 a get-together with the teaching staff at LeBaron Hall.

When asked if she is enjoying her retirement, the answer is yes, very much.

She has not been travelling much but spends time at home visiting with friends that stop by for a visit, and taking care of her new puppy.

We hope you continue to enjoy your retirement and best of luck to you.

Trevor Denney **GRADE: 11**
ALSO KNOWN AS: T, Dens, Denney, Trev, Denis Miguel, Trevor D.
MY HEROS ARE: Mats Naslund, Rob Werner, Yoshi.

I'LL NEVER FORGET: Tardif's first day at Jay; Math class with Miss Bro; the paramecium dance in Pierce Hall; the long distance phone calls; Scott's trip to the Golfo; slick; soccer trip; Tards, Mary-Ann, Mickster, Poulin, Barb, Yoshi.

STANSTEAD COLLEGE HAS: allowed me to do many things like join the Ski patrol and be on a Fire Department. It has taught me responsibility and offered me friendships. This I'll always be grateful for.

SOMEDAY I WILL: hopefully return on Alumni Day to see all my friends and beat the school's soccer and hockey teams.

Alastair Mickie **GRADE: 11**
ALSO KNOWN AS: Bert, putz, Le Grand, Stretch, so I'm a Yankee lover.
MY HEROS ARE: Billy Duffy, The Punisher, Elizabeth, Rachel, Radical Fred.

I'LL NEVER FORGET: Rooming with Luke, flying out the window, the Zamboni joke with Luke, Mon Dougle and Nori, Russia 88', the bus rides, the tuck shop, too much tide, Rachel Poston who I will remember forever. Can't forget Dens.

STANSTEAD COLLEGE HAS: a lot to offer anyone who comes here, the problem is adapting. You can't fight the system so sometimes you have to break it. If the shoe fits, wear it.

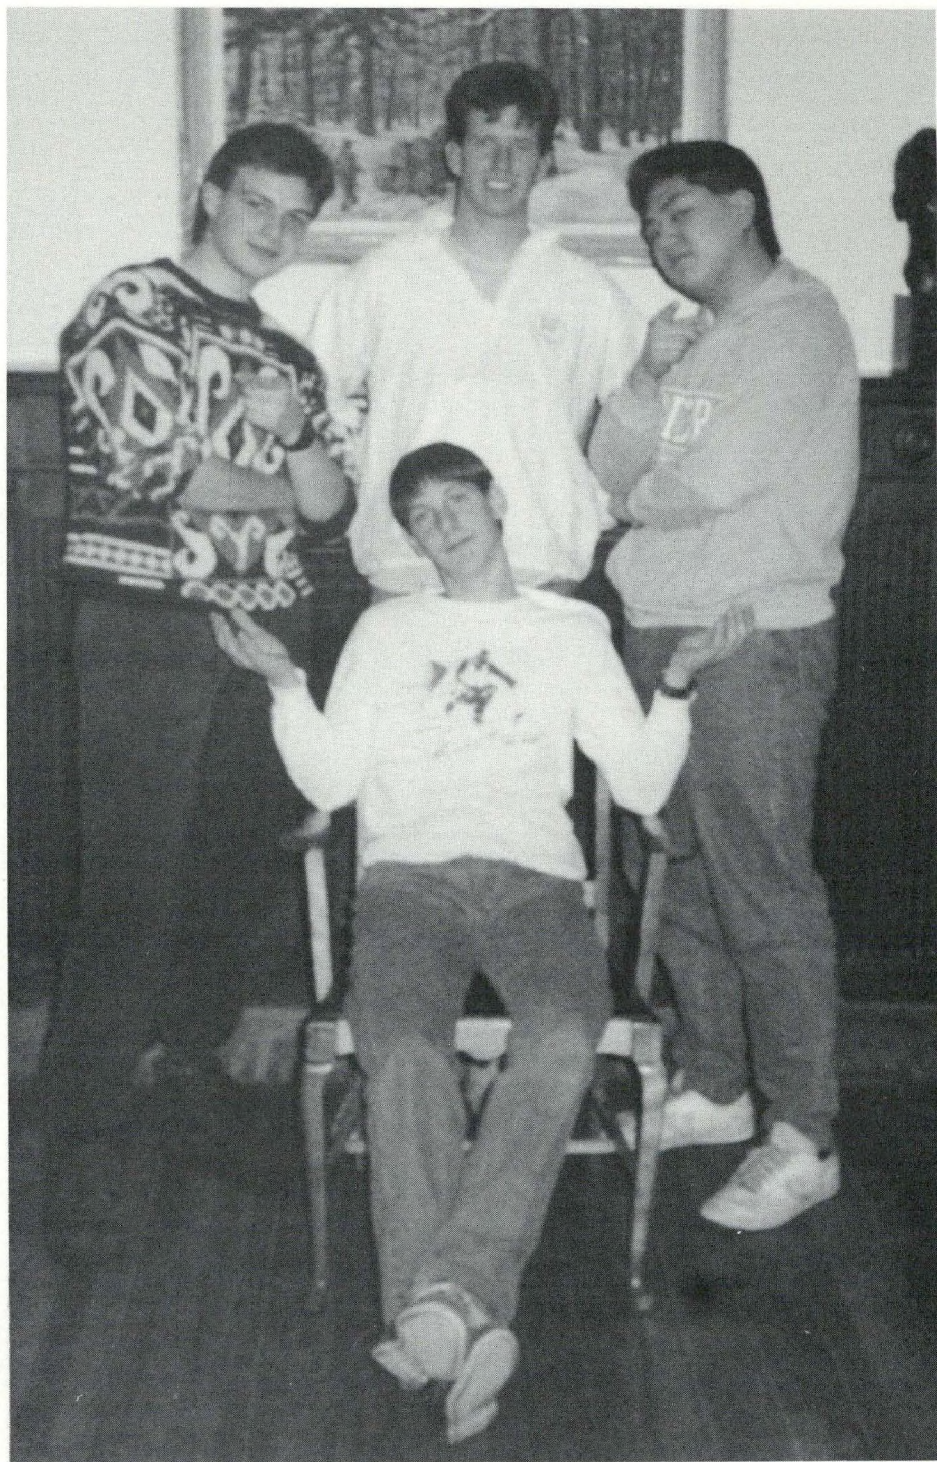

SOMEDAY I WILL: Slam it, ya right. Maybe get Yoshi to dance. Collect all my money from Doug. Take her away.

Yoshinori Sudo **GRADE: 11**
ALSO KNOWN AS: Yoshi, Sushi, Nori, King Bird, Chipmunk, Odus.
MY HEROS ARE: Kristen Denney, Guns n' Roses, Bosworth, Tyson, Werner, T.

I'LL NEVER FORGET: Football; Russia; Bonaire; bird in the house; illegal affairs - 1988; confinements; earrings; rooming with Rob, Sean, Doug and Wigle. Al's nightmares; parties in Lorne and Shane's room; Bub; Dave; Clark; Trev; Rachel; KRISTEN.

STANSTEAD COLLEGE HAS: Offered me a totally different life style. It also taught me how important friendships are, but it is not how many friends you have, it's the quality that counts.

SOMEDAY I WILL: meet all my friends and show them what a real man looks like.

Doug Poulin **GRADE: 11**
ALSO KNOWN AS: Pouls, Poutin, Poulet, Dog, Dougle.

MY HEROS ARE: My parents, brothers, sisters, relatives, friends, Conan.

I'LL NEVER FORGET: Pushing Yoshi through the window. Many good times at the river. Going down south with Al and Yosh. Shelley, Allistair, Yoshi, Phil, Rachel, Chris and Shane who helped me through the hard times. Trevor's lies. Scott's car. I'll always forget math.

STANSTEAD COLLEGE HAS: made me independent in what decisions I take. Also it has made me calm down, prepared me for what is waiting out in the real world, given me friends for life.

SOMEDAY I WILL: be as successful as my Dad, or an R.C.M.P. cop in British Columbia, maybe be a sergeant. Last hope - working for the Mafia.

Eric Taylor **GRADE: 11**
ALSO KNOWN AS: Dubé.

MY HEROS ARE: All of the calculus students.

I'LL NEVER FORGET: my first day at the College when I had no idea where I was going or what I was doing. It was total confusion which I soon recovered from.

STANSTEAD COLLEGE HAS: really prepared me for my post secondary education. They give a large work load but this is necessary in preparing a student for CEGEP or university.

SOMEDAY I WILL: come back to the school as an Alumnus to beat the senior hockey team.

Elizabeth K. Darling **GRADE: 12**

ALSO KNOWN AS: Liz, Dearest, Sliz, Lizardbreath, Lizard, Cow.

MY HEROS ARE: Somerset Maugham, Mr. Pierce, Becky in English class.

I'LL NEVER FORGET: the life, the times, the people; hysteria and depression; love and hate; being tired; my friends - thanks for the entertainment, the support and for making me who I am - you are all wonderfully wierd!!!

STANSTEAD COLLEGE HAS: been an interesting life - experience. It has been much more than school; it has been opportunities to do many new things and to make life-long friends.

SOMEDAY I WILL: write a best-seller, leave my job as Prime Minister, take my tall husband and go live with Mel in India, maybe . . .

Melodie Dawn Martin **GRADE: 12**

ALSO KNOWN AS: Smells, Mel, Cow, Melodious.

MY HEROS ARE: My Parents, The Sun, Whales, The Persian Gulf, Earth.

I'LL NEVER FORGET: Funky times with my positive karma pals, Lizzy, Trent (how could I?), Soph, Becky, Don, Nick, Ewan, Terra, Chris, Betsy, Stef, Bell Canada, Mimi, Isq, exploring late weekend nites.

STANSTEAD COLLEGE HAS: many things I'm sure and some wonderful individuals.

SOMEDAY I WILL: be satisfied with my lot in the universe, live on a Himalayan mountain and be at peace with life.

Donald Chase **GRADE: 12**

ALSO KNOWN AS: Don Sdon, Donnie-baby, Donald Duck.

MY HEROS ARE: Quoc, Mr. New Order, The Dudes, Donald Duck, Lucy M.

I'LL NEVER FORGET: The cool people. Hostee Jou-Jou the Woodchuck Co. Sensible shoes. It's a clock. Stats. Trouble instigators. The Lectric swap. Sophie's rumors. Midnight soup parties. The friends I made. The warped life.

STANSTEAD COLLEGE HAS: stimulated my academic development in an environment of truly dedicated twelfth graders in the cosmopolitan atmosphere of Rock Island. It was great.

SOMEDAY I WILL: Marry Liz Darling, sell second hand tanks to the F.L.Q. and make Miss Broden clean my car with a toothbrush.

Keri Reynolds

GRADE: 11

ALSO KNOWN AS: Beaver, Munch, Maggie

MY HEROS ARE: Nancy Dewey, Rachel Gallant, Mighty Mouse, Magic.

I'LL NEVER FORGET: Weekends at my house, Rachel falling down the stairs, Get the @*!c off the field!!!, Russell's goober, Grade nine Geography class, Nancy locking me in her room, all my close friends whose names are unnecessary.

STANSTEAD COLLEGE HAS: given me friends that I will cherish in my heart forever, many good times I will never forget and an education greatly appreciated always.

SOMEDAY I will: look back and realize that Stanstead isn't as bad as we all thought, and will wish I were back.

Lisa Burnet

GRADE: 11

ALSO KNOWN AS: Lila, Flis, Burnit, Lamb, Liz.

MY HEROS ARE: Animal, Big Bird, Yoshi, Roger Rabbit.

I'LL NEVER FORGET: Suspension; purple mania; Peel Street; bowling; Moon Palace; \$175; nite skiing; water gun fight; gum war; swimming; bush wacking; weekend leave majors; rooming with Nina; me pushing Keri in the snow bank; Ruthie and my friends.

STANSTEAD COLLEGE HAS: offered me some good and bad times but overall I enjoyed myself. It's been an experience for me. Thank you Mom and Dad for your support and many thanks to the teachers.

SOMEDAY I WILL: What's in the future is unknown right now. I'm taking one step at a time but I know that whatever happens I'll be able to handle it.

Ruth Schick

GRADE: 11

ALSO KNOWN AS: Ruthie, Rufus, Ruf, MOUTH, Short one, Stump.

MY HEROS ARE: anyone who believes in what they can accomplish.

I'LL NEVER FORGET: day one (help!); room change; weekends at the Reynolds; Ottawa, my cast; rooming with Cindy, Julie, Mary-Ann; Colby Tuck; the loneliness; birthdays; all the special friends I've made - you know who you are - I love you, guys.

STANSTEAD COLLEGE HAS: given me the chance to learn about myself. I have done a lot of growing up here and I will treasure the knowledge I have gained for a lifetime.

SOMEDAY I WILL: hopefully begin believing in myself and accepting life in its reality, not through rose-colored glasses.

Marnie Neufeld

GRADE: 11

ALSO KNOWN AS: Coconut woman, Forehead.

MY HEROS ARE: Richard, Daly, Mom and Dad, Rob, Margaret, Nina, Marcus and all others.

I'LL NEVER FORGET: Baby powder fights at 2am. Mrs. Duncan's warnings on tape, Amanda on duty. Burp. Going psycho - literally. My first and last basket. My relationships. Rumors. Carf. Meeting Big Biff in the bathroom.

STANSTEAD COLLEGE HAS: no place to go and not much to do. It's been an unforgettable experience I wouldn't have wanted to miss but wouldn't want to repeat.

SOMEDAY I WILL: be in a Mad magazine - right Kath. Hopefully have a normal knee. Go to Japan and come back to visit my pals.

Jonathan Schick

GRADE: 11

ALSO KNOWN AS: Schick, stress poster child, Shiky-poo, Mr. new order.

MY HEROS ARE: Barney Summer, Ian of Joy Division, The New Order Cult.

I'LL NEVER FORGET: Late nights with Bulldog and Luigi; Alex's self-head injuries; wondering whether I should go to sleep; death being more exciting than math 538; wrestling with Salvatore; all my great friends - you know who you are.

STANSTEAD COLLEGE HAS: too fast a pace, changed me, contributed to my already above normal stress level, the occasional good time. Life can be hell but never let it be.

SOMEDAY I WILL: send my kids here and laugh, meet new order and finally say Stanstead without gagging.

Alex M. Ferron

GRADE: 11

ALSO KNOWN AS: Bulldog, Knux, Frankenstein, Knucklehead, Knuckles, Alox.

MY HEROS ARE: Lettermen, JR. Italian Wus, Gumby, Geraldo, N.Y. Knicks,

I'LL NEVER FORGET: counseling sessions with Schick on stress; the meat market; Economics sleeping sessions; those excellent classes; stairs; 'all the way' in Nova Scotia; the one who drives me crazy, you guess the rest.

STANSTEAD COLLEGE HAS: no gangs or gang related violence, probably changed my life forever, raised my appreciation for large dirty cities such as Montreal.

SOMEDAY I WILL: thank Mom and Dad and all who made 89' decent. Freedom is a road seldom travelled by the multitudes . . . Aloha.

Robert Mercer

GRADE: 11

ALSO KNOWN AS: Mercer, Stud, Italian, Stallion, Gino, Wus.

STANSTEAD COLLEGE HAS: some good friends. "eight grandmothers", Amy Chu, super "Durch", and my favorite "dancing queen" Auntie Fanny and Uncle James.

SOMEDAY I WILL: most importantly move out of this school and carry on with my life.

James Wang

GRADE: 11

ALSO KNOWN AS: Wang, Noodle.

MY HEROS ARE: Einstein, Magic Johnson, E.J. Smith.

I'LL NEVER FORGET: arguing with Mr. T. about hours, rooming with Meat, helping Mr. A. working with some of the Chinese boys, falling asleep in Calculus, xxx lounge, all the fun with my friends, most of all Frances.

STANSTEAD COLLEGE HAS: a lot of rules, homework, tests, exams and sports workouts; a runner up basketball team in the ETIAC; boring weekends; \$4 for McDonalds; no Brasserie.; ugly sweaters.

SOMEDAY I WILL: be a famous doctor - a jr. tycoon. I will know how to "parle fran-cais" and own a Bently.

Fanny Chu

GRADE: 11

ALSO KNOWN AS: Frances.

MY HEROS ARE: I don't know - could be anybody or nobody.

I'LL NEVER FORGET: all the time spent in Amy's room whether she enjoyed my company or not, every second with the "Orient Express", all the noodles and rice I cooked and ate with Amy and Eman, and almost all of the grade elevens.

STANSTEAD COLLEGE HAS: given me an almost paradise impression - that was my first year. What ever happened to that notion? I'm sure you all know but I'll cherish that impression.

SOMEDAY I WILL: own a company of any kind but most likely the FC Interior Design Company located in every major city of the world (Dream on).

Amy Chu

GRADE: 11

ALSO KNOWN AS:

MY HEROS ARE: Any who conducts themselves in life wisely.

I'LL NEVER FORGET: Fanny and Eman visiting my room whether I liked it or not. Staying up late before exams.

STANSTEAD COLLEGE HAS: given me an opportunity to experience group life and I have made some good friends - hopefully, life-long friends.

SOMEDAY I WILL: Start my own business and have a fantastic life.

ALL FUNDS ARE CREATED EQUAL. BUT SOME ARE MORE EQUAL THAN OTHERS.

We can only assume that Babe Ruth as a child was much like any other.

A gift of athletic ability and years of hard work honing his craft made him, with little argument, the greatest ball player of all time.

It is this ethic, the desire and ability to work harder than the competition, that has placed Dynamic at the forefront of mutual fund companies.

Together with the firm Beutel, Goodman & Company Ltd. and CMP, our tax-assisted investments subsidiary, Dynamic has created innovative investment programs that have established a feeling of solid confidence amongst our clients.

For over thirty years Dynamic Fund Management has handled the investments of thousands of Canadians. Even with over one half billion dollars currently in our care, we work just as hard every day to make that money grow as our investors worked to earn it in the first place.

Because at Dynamic, we follow one simple training program: We never forget whose money it is.

Now is RRSP time. Ask your broker today about Dynamic's RRSP opportunities. Or just take a moment to fill out and mail this coupon.

Fill in, cut out and mail to:
